Shrimant Maharaja Sayajirao Gaekwad III

"You know well enough that, keen as my interest in higher education is, I have always looked upon education as an essential thing to instil the spirit of progress in the people at large. It is not everyone who is fortunate enough to receive the benefits which such a College as this confers. Knowing this, and desiring that every one of my people should enjoy in some measure the advantages of education."

H. H. Sir Pratapsinhrao Gaekwad (29th June 1908 – 19th July 1968)

His Highness Pratapsinhrao Gaekwad was an able administrator, who was properly trained in administration by His Highness Sir Sayajirao Gaekwad - III himself. He was consecrated on 7th February 1939. During his period, the New Constitution was approved in 1940. It was viewed for the welfare of both kingdom and subjects. In 1940, the Shantadevi Trust & the Padmavati Trust for Welfare of T.B. Patients were approved. The M.S. University of Baroda was established in 1949. He said at that time "experts are to be trained from our own people." He also signed the proposal of dissolution of private states.

From the Vice Chancellor's desk...

The Maharaja Sayajirao University of Baroda remains a prestigious establishment dedicated to scholarly achievement, scientific progress, and social responsibility. I present this 76th administrative Annual Report to all the stakeholders of the university with a sense of honour and pride.

I have had the chance to closely observe the University's dynamic academic culture and the commitment of its faculty, officers, staff, and students since taking office as the Vice-Chancellor in September 2025. As we move towards a future shaped by innovation, inclusivity, and integrity, the solid foundation established over decades serves as a source of inspiration and accountability.

The University is committed to advancing contemporary skill-oriented education, fostering innovation, improving research capabilities, and fortifying multidisciplinary learning in line with the National Education Policy 2020's vision. The emphasis continues to be on academic quality, research collaboration, infrastructure development, and transparent governance. At the same time, student welfare and holistic development remain central to the university's mission, ensuring that graduates passing out emerge not only as competent professionals but also as responsible citizens.

This Report's progress is the result of the perseverance, teamwork and a common goal.

I extend my sincere appreciation to the Hon'ble Chancellor, the Registrar, Deans, faculty members, officers, staff, students, alumni, and all stakeholders whose contributions have strengthen the university's journey.

with renewed resolve, The Maharaja Sayajirao University of Baroda moves forward with confidence-upholding its legacy while embracing new opportunities for growth and excellence.

Prof. (Dr.) Bhalchandra Bhanage
Vice Chancellor
The Maharaja Sayajirao University of Baroda

From the Convenor's desk...

"All knowledge that the world has ever received, comes from the mind; the infinite library of the universe is in your own mind."

— Swami Vivekananda

Inspired by this profound vision of education, The Maharaja Sayajirao University of Baroda continues to uphold its enduring legacy of academic excellence, intellectual inquiry, and societal service. It is my privilege to present the 76th Administrative Annual Report for the year 2024–25, a comprehensive reflection of the University's academic progress, institutional reforms, research advancements, and administrative developments.

I humbly acknowledge that this marks my third consecutive year serving as the Convener of the Annual Report Committee. This continued responsibility has enabled me to closely observe the University's dynamic growth and the collaborative spirit that drives its achievements.

At the outset, I express my deepest gratitude and respectful acknowledgement to Her Highness Rajmata Shubhanginiraje Gaekwad, Chancellor of The Maharaja Sayajirao University of Baroda, for her gracious guidance and unwavering encouragement. Her visionary stewardship continues to inspire the University community in preserving its glorious heritage while embracing progressive transformation.

I thank Hon'ble Vice Chancellor Prof. (Dr.) Bhalchandra M. Bhanage for entrusting me with the responsibility to prepare this administrative annual report. His vast academic experience, research acumen, and progressive outlook are expected to further strengthen the University's commitment to excellence, innovation, and strategic growth in the years ahead.

I also extend my sincere appreciation to Prof. (Dr.) K. M. Chudasama, Registrar (Offg.), for his administrative leadership, coordination, and steadfast support in ensuring the smooth and effective functioning of the University's governance and academic processes.

The academic year 2024–25 was marked by significant institutional milestones. The University proudly celebrated its 74th Annual Convocation during the year, conferring degrees upon 15,032 students across 14 faculties. The awarding of 354 gold medals to 229 meritorious students reflects university's unwavering dedication to academic merit and excellence. The balanced gender representation among graduates further reinforces the commitment to inclusivity and equitable access to higher education.

In national recognition, the University secured a position in the 51–100 rank band among State Public Universities in the NIRF 2025 Rankings. The Faculty of Pharmacy achieved the 46th rank nationally, while the Faculty of Law secured the second position in the CSR–GHRDC Law Schools Survey 2025, demonstrating sustained academic quality and national visibility.

From the Convenor's desk...

A major administrative milestone was the promotion of 190 faculty members under the Career Advancement Scheme, significantly enhancing research supervision capacity and institutional performance metrics. Faculty members have contributed over 1,000 research publications over the year, 161 books and edited volumes, and numerous conference presentations. The filing of patents and copyrights further reflects a vibrant innovation ecosystem.

The University secured prestigious research funding, including a ₹10.09 crore grant under the PAIR programme of the Anusandhan National Research Foundation, strengthening interdisciplinary research infrastructure and collaboration. Additional research projects, industry partnerships, and innovation initiatives under SSIP 2.0 have expanded the University's academic and entrepreneurial landscape.

Digital governance initiatives, including the launch of the "Vidhyarthi" mobile application, improved academic accessibility and administrative efficiency. Student welfare remained central, with substantial financial assistance extended to deserving students and recognition of research scholars through prestigious fellowships. Automation of Accounting Module and Integration of Hostel Fees Collection Report with ICICI Bank and Tally Solution by the Account section team at "No additional charges to students or the University" remains one of the major initiatives for time-saving and error-free process, enhanced financial transparency, ready live access to all required reports for audits and decision-making.

Infrastructure development progressed steadily with heritage restoration, construction of new academic facilities, modernization of laboratories, enhanced examination infrastructure, and comprehensive safety installations—reflecting a balanced approach between preservation and modernization.

The 76th Administrative Annual Report thus captures not only statistical achievements but also the collective commitment of faculty, officers, staff, students, and stakeholders who contribute to the University's continued advancement. It stands as a testament to institutional resilience, academic integrity, and visionary progress.

As a Convener, I extend my sincere gratitude to all members of the Annual Report Committee and contributors along with IQAC coordinators of various faculties, and team IQAC whose dedicated efforts made this compilation possible. A special thanks to Ms Hinal Trivedi, Documentation Officer of the university and her team at GCU section for their untiring efforts, follow ups, coordination and support in compiling the report. I also thank Mr Jatin Somani University Press Manager and his team for their timely support in printing this document. With renewed determination and inspired leadership, The Maharaja Sayajirao University of Baroda moves forward confidently—strengthening its foundations while shaping a progressive and knowledge-driven future.

		the University Grants Commission. This event commemorates the birth anniversary of the esteemed Tamil poet, writer, journalist, and eminent freedom fighter, Shri Subramania Bharati, popularly known as ‘Mahakavi Bharati’. The festival celebrates Shri Subramania Bharati's immense contributions to literature and society across India. On this occasion, the 'Bharatiya Bhasha Utsav', with the theme “Bhashayein Anek, Bhav Ek”, commences today in the Faculty of Arts, Maharaja Sayajirao University. Today's event began with the University song, followed by the lighting of the lamp by esteemed guest and senior Professors, welcoming the guest and the welcome address was delivered by the Dean, Faculty of Arts. Prof. Bharat Pandya, Head, Department of Gujarati, introduced the speaker, Prof. Neeta Bhagat, an alumnus and retired professor of The Maharaja Sayajirao University of Baroda. Prof. Neeta Bhagat delivered an enlightening and thought-provoking talk on the topic “Bhartiya bhashao mein rashtriya ekta”. During her session, she highlighted the importance of India being a multicultural and multilingual society. She further invoked famous Gujarati poets such as Shri Umashankar Joshi, Kant and Jhaverchand Meghani emphasizing the love for motherland in their works. Her speech was highly motivating and well received by the audience. Vote of thanks was presented by Dr Shweta Jejurkar. This talked was followed by tea.		
4	‘Gender Sensitivity & LGBTQIA+ Awareness’	An educational session on ‘Gender Sensibility and LGBTQIA+ Awareness’ was organized by Dean Incharge of the Faculty of Arts, Professor Kalpana Gavil, on 20 th January 2025 in Room number 1 of the Arts Faculty building. The invited speaker, Ms. Vaishali Zararia addressed a gathering of	January 20, 2025	Room No.1, Faculty of Arts

students and
teachers on the topic, “Creating Safe Space: Gender Sensibility and LGBTQIA+ Empowerment.”
A good number of academicians, scholars, teachers, and students from various departments were present
for the session. The program began with the Dean giving a bouquet of flowers to Ms. Zararia. Then Dr.
Neeti Singh offered a formal welcome to the speaker and invited her to conduct the session.
Ms. Vaishali Zararia heads a local NGO called Vikalp (Women’s Group) which is a Gujarat based organization that works in partnership with SAATHII, a Chennai based national agency. She is also an
alumnae of the Maharaja Sayajirao University. She did her Masters in Public Health Nutrition, earlier
Faculty of Home Science, and has been working since 1996 on various state, national, and international
projects related to health, nutrition, education, gender, and LGBTQIA+ issues from a gender and rights
perspective. Currently, she is an Independent Consultant working for Vikalp Women’s Group
and Chennai-based SAATHII organization.
In her presentation, Ms. Vaishali Zararia explored traditional gender roles and pointed out that gender is
much more than biological. It is a social construction. She maintained that how the very term ‘gender’, is
generally associated with women. She stated that while a male becomes man by natural transition, the
transformation of a female depends to a great extent on the society around her. She then showed various
examples where traditional female roles have been altered and women took the responsibility to change,
to revolt. She listed the example

		of Jhansi ki Rani. Ms. Zaraira explained that 5-10% of the whole population of India belongs to the queer personality and 8% is tribal people. By queer she was refereeing to the term LGBTQ (L= Lesbian, G= Gay, B= Bisexual, T= Transgender). The session also focused on a case study where Deep a transgender individual who now works with Vikalp, expressed with the audience, his experience of converting from female to male gender. He spoke of his journey – the responses of family members, friends and overall society. Ms. Zaraira rounded up the presentation saying that the transition happens in three-fold ways: social, legal, and medical. She added that the human rights for LGBTQIA+ were encouraged in every religion and every civilization through the ages. That special laws have been articulated in the constitution to safeguard them and that sex conversion has been banned in 2022 by a special law. UGC has also now becoming aware of this fact and has made changes to ensure a comfortable atmosphere for students through the admission process. The lecture ended on a note of empathy, mutual respect, and kindness towards all. Ms. Vaishali Zararira voiced that we need to be real humans and more humane and accepting towards all in our approach. Her lecture was followed by a question- answer session and a thank you note by the hosts.		
5	Bhartiya Bhasha Utsav 2025 Day 1	The Bhartiya Bhasha Utsav 2025 commenced with great enthusiasm at M.S. University, Baroda, marking a significant celebration of linguistic diversity and academic excellence. The event began with a deep Pragatya ceremony, where esteemed guests lit lamp, symbolizing the enlightenment of	January 23, 2025	Aurobindo Seminar Hall, Faculty of Arts

knowledge and culture.

Following the inauguration, the university song was performed with fervor, uniting everyone. The atmosphere was electric as professors and students from various linguistic departments gathered to showcase their work, highlighting the rich tapestry of languages taught at the university.

Throughout the day, attendees engaged in insightful speeches delivered by faculty members, who discussed the current status of their respective languages.

The Bhartiya Bhasha Utsav 2025 at M.S. University, Baroda, kicked off with an inspiring speech by the Dean of the Faculty of Arts, Prof. Dr. Kalpana Gavli. She emphasized the importance of Bhartiya languages and encouraged students to understand the current scenario surrounding Indian languages, as well as their native tongues. Her call-to-action motivated attendees to participate actively in the program to gain valuable insights into diverse languages.

1. Marathi Language Segment: Jitendra Pawar, the representative for Marathi, delivered a captivating speech in Marathi. He invited Prof. Sachin Ketkar, who elaborated on the significance of Marathi language and its rich literature (sahitya).

2. Sindhi Language Segment: Ritu Brahmbhatt, representing Sindhi, spoke eloquently in Sindhi and introduced Dr. Tamanna Lalwani.
Dr.Tamana Lalwaani provided an in-depth analysis of the current situation and ongoing Researchand Ph.D in Sindhi. Ritu also invited Mahendra, a fellow student, who shared an old Sindhi Folk Tell Umar-Marooe ,Shah Joo Sat Surmiyoon, enriching the audience with its meaning and cultural context.

		3. Gujarati Language Segment: Drushti Rajyaguru, the spokesperson for Gujarati, delivered a brief speech in Gujarati. She introduced Mr. Jay Makwana, who discussed renowned Gujarati authors like Narsinh Mehta and Dayaram, highlighting their vital contributions to the language. 4. Sanskrit Language Segment: The session concluded with Bhargavi Solanki as the anchor, who invited Ms. Mitva Joshi, a PhD student. Ms. Joshi presented a PowerPoint presentation offering grammatical insights into Sanskrit, captivating the audience. In conclusion, attendees were invited to join the festivities for Day 2 of the Bhartiya Bhasha Utsav as well as the Day 3 Bhartiya Kala Utsav, where students from the Faculty of Arts would showcase their talents through live performances. The day was a remarkable celebration of linguistic heritage, fostering a sense of community and learning among all participants.		
6	Bhartiya Bhasha Utsav 2025 Day 2	The second day of the Bharatiya Bhasha Utsav was organized at Sri Aurobindo Seminar Hall of the Faculty of Arts and was attended by 52 participants. The first presentation was made by on Library and Information Science. First Adrija Banerjee spoke on the importance of library science and then invited the primary presenter, Dr. Ranjitha Niladri Dash. Dr. Dash presented a brief overview of the subject, highlighting how it is primarily focused on the organization, categorization, processing and classification of knowledge. The goal is not only this but to also be able to disseminate knowledge to the learners in an effective fashion. She spoke of the development of the subject, the ancient libraries, and the role of Maharaja Sayajirao Gaikwad III in the development of libraries and education. Lastly, she also shared some resources with	January 24, 2025	Aurobindo Seminar Hall, Faculty of Arts

students, informing them of the vast repositories and resources available.

After this, the session progressed towards the second language of the day, Persian. Sheikh Shahbaz introduced Dr. Ghayas Uddin, who spoke on the development of Persian language and Sufism. He presented an overview of the language, its representative demographic and literature.

This was followed by the third session of the day on Hindi language. Ashwini Paneri spoke on the beauty of Hindi language and then invited Dr. Maya Prakash Pandey to speak to the audience who in his talk highlighted the development of language and scripts. Pawan Kumar Yadav, Kartik Dogra, Anurag Tiwari and Avinash Pandey then highlighted the contribution of the various Hindi scholars namely Munshi Premchand, Nirmla Putul, Dushyant Kumar, Bhartendu Harishchandra, Amir Khusro, Sant Kabir and Rahim. They emphasized on the simplicity with which many Hindi poets and writers could convey core life lessons and struggles with such ease. They also focused on the various themes like environment, modernization, nature, language and its development.

The fourth session of the day was dedicated to Urdu language. Sheikh Shahbaz invited Dr. Irfanullah Khan to enlighten the audience on the same. He first introduced the audience to the concepts and structure of Doha and Ghazal in Urdu language and explained its development. After this, he presented various examples of the same and highlighted their themes.

The final language to be discussed was that of Sanskrit. Dr. Anjana Tiwari spoke about and connected three languages namely, Gujarati, Sanskrit and Braj and established various

		beautiful connections amongst them that are visible through the literature. After this, students were given a chance to express their views on the importance of language and recite their poetry and ghazals. Parthesh Chavda, Atul Vasavi and Sheikh Shahbaz shared their views. The day was concluded by the talk of Prof. Dr. Kalpana Gavli who highlighted the need for more such programs celebrating the multiplicity of languages of India. She encouraged students to read more literature to understand our Indian culture, language and thought better.		
7	Bhartiya Kala Utsav	On the eve of the 76th Republic Day, the Faculty of Arts, The Maharaja Sayajirao University of Baroda, Vadodara, organized a program showcasing Indian culture called 'Kala Utsav 2025'. Students from the first year of B.A. to Ph.D. in the Faculty of Arts presented various cultural performances on stage. The program began with the Agni Sukta from the Rigveda and Lingashtak composed by Shankaracharya. This was followed by Gujarati Garba, Tribal Garba, Sanskrit Garba, Patriotic Songs, Western Dance, Rajasthani Folk Dance, Semi-Classical Dance, and a Gujarati Mini Lok Dayro. Manjim P., a student of the Faculty of Arts, who had recently represented Vadodara and the University at the Uttarardh Mahotsav at the Surya Temple, Modhera, by performing the Mohiniyattam dance, also presented a special performance introducing students to Indian classical dance. Gujarati department students presented desi-style Garbas. Hindi department students performed the Ghoomar dance. Mahesh Rathava and Kalpana Rathava captivated the audience by presenting Garbas composed in the tribal language. Students of the Sanskrit department enchanted the audience by translating and singing Gujarati compositions of Narsinh Mehta and Atul Purohit into Sanskrit. Since Then, The Department Is Preparing Students In Formal Teaching At School And College Level As Well As In Communication In Rural And Urban Non-Formal Education Programmes.

The Rapid Proliferation And Progress Of Tele-Communications And Media Technologies In Recent Years And Their Socio-Cultural Impact Have Brought About Profound Changes In Almost Every Sphere Of Human Activity, And Education Is No Exception. This Led To The Changes In The Academic Structure Of The Department .

As A Result, The Curriculum In The Department Has Been Revised So As To Make It More Relevant To The Today'S Information Society. Now, It Focuses On Two Major Components "Extension " And " Communication". Thus, The Nomenclature Of The Department Is Changed To Extension And Communication.

The Department Offers Courses That Include Experience And Training In The Theories And Practices Of The Modern Communication Process With Special Reference To Extension . The Courses Are Designed To Develop In Students The Communication Skills To Lay A Foundation For Development Of A Superior Teacher Personality, As Well As Development Practitioners.

The Courses Are Offered To Initiate The Students Into Conceptualizing And Developing Various Communication Methods And Materials For Formal And Non-Formal Educational Set-Ups. The Focus On Extension Programs-Planning, Implementation And Evaluation, Make The Students Eligible For Employment In Community Development Programs With Government And Non-Government Organizations.

The Department Also Has Implemented Nep, 2020 From In The Academic Year 2023-2024 At Undergraduate Level.

1 INTRODUCTION

The Faculty Of Journalism And Communication (Fjc) Was Set Up In The Maharaja Sayajirao University Of Baroda Vide Syndicate Resolution Number S.R.2 (4) Dated 28. 08.1993. The Faculty Initially Offered A One-Year Post-Graduate Bachelor'S In Journalism And Communication Programme (Bcj), Which Five Years Later, In 1997, Was Replaced By A Four-Semester Master'S In Communication Studies Programme. The Nomenclature Of This Course Was Subsequently Changed To Master Of Journalism And Mass Communication (Mjmc). Fjc Offers A Comprehensive Curriculum That Encapsulates A Range Of Relevant Subject Areas And Related Practical Work. One Of The Key Ongoing Features Of The Programme Is That During The Proceeds Of The Course, Students Get Ample Opportunity For Exposure And Hands-On Training In The Field. For Instance, Students Report On The Beats And Publish Newsletters Through Daily Reportage Of Varied Local Events Like Industrial Exhibitions, University Youth Festival, Conferences, And Such Activities. Their Print Media Lab Journal "Itivritt" Is Published Each Year. Kaafila, The Faculty'S Media Fest Is Also Organised Enthusiastically Every Year.

Similar Work Is Done For Radio And Television Too, And Many Programmes And Films Have Been Produced Over The Years. Such An Interface Helps Student Build Their Confidence And Capability To Be Effective Practicing Journalists In The Future. The New Media Component Has Been Effectively Integrated Into The Theory And Practical Aspects Of The Curriculum.

The Faculty Has A Fully Integrated Ph.D. Programme.

The Bachelor'S Programme (Bjmc) Which Was Launched In The Year 2017-18, Has Successfully Completed Five Cycles. The Bachelor'S Programme (Bjmc) Which Was Launched In The Year 2017-18, Has Successfully Completed Five Cycles. In Alignment With The Nep 2020 Guidelines, The Faculty Introduced Its Revamped Bjmc Nep 2020 Programme In 2023.

12. Faculty of Performing Arts

DEPARTMENT OF DRAMATICS

The Department Of Dramatics Is A Foremost Constituent Of The Faculty Of Performing Arts, The Maharaja Sayajirao University Of Baroda, Established In 1950. It Is One Of The Pioneer Theatre Departments, Unique Of Its Kind In The Entire Western Region, Imparting Training At The University Level Offering Courses Of Diploma, Degree And Post Graduation In All Skills Of Theatre. The Goal Is To Train Students Not Only In The Performing Skills But Also In Their Mental And Intellectual Activities So As To Become Aware Of Critical Ideas And Understand The Philosophy Of Contemporary Arts And Life. Our Endeavor Is To Form A Bridge Between The Conventional And Most Modern Theatre, Keeping Close To The Basics Which Evolved Over Centuries And Connecting Them To Present Day Modern Applications.

The Department Was Established And Nourished Under The Able Guidance Of The Noted Playwright And Architect Of The Modern Gujarati Theatre Prof C.C. Mehta Who Was Its Head Till 1969.

Over The Years, It Has Nurtured A Number Of Aspiring Artists Wanting To Pursue Theatre Arts As A Profession. The Potential Training Is Towards Creating Performing Artists, Production/Technical Designers, Academicians Who Are Able To Respond To Changing Times Of The Contemporary Society. The Course Structure Is Designed To Foster Creative And Intuitive Abilities.

The Department Has Also Acted As A Protagonist And Catalyst In The Societal Commitments And Development Through Its Varied Activities And Programmes, Govt Of Gujarat Sponsored Programmes, Social Awareness And Community Development Campaigns Through Bhavai A Folk Theatre Form And Street Plays.

The Department Encourages In-House Programmes, Performances And Promotes “Sature Theatre” With The Aim Of Cultivating Performance Skill In The Students By Exposing Them To Selected Audience. It Is Our Endeavor To Set Up A Repertory Troupe /Group So Very Essential For A Performing Arts Department Like Ours. The Department Has Started Its First Regular Theatre Festival “Manchparve” Under The Satur Theatre.

13. Faculty of Pharmacy

1 INTRODUCTION

The Faculty Of Pharmacy Was Established In Dec 2015.
The Faculty Conducts B Pharm, M Pharm (6 Specializations) And Ph D Programs.
The Ug And Pg Courses Are Approved By Aicte And Pci.
Admissions To Ug And Pg Programs Are Done By The Acpc.
The Faculty Of Pharmacy Has Received 44Th Air Rank In The Nirf Ranking 2024 By Mhrd, Govt Of India.

16. Faculty of Technology and Engineering

DEPARTMENT OF TEXTILE CHEMISTRY

The Textile Chemistry Department Is The Oldest Department Of The “Kalabhavan” Technical Institute Which Was Started In The Year 1890, By His Highness Late Maharaja Sayajirao Gaekwad Iii Of Baroda, In The Faculty Of Tech. & Engg. That Time Textile Chemistry Was Popularly Known As ‘Rangshala’, Where Artisan Courses Were Conducted In Bleaching, Dyeing, Printing, Sizing Etc. The First Head Of The Department Was Prof. T. K. Gajjar When Kalabhavan Was Established In 1890.

In The Late Nineteenth Century, Diploma In Textile Chemistry (Three Years) Course Was Started; About Hundred Students Were Admitted And Passed Out From The Department.
After Independence, The Year 1949, The Maharaja Sayajirao University Of Baroda Was Established And Department Of Textile Chemistry Was Also Commenced With The Establishment Of Faculty Of Technology & Engineering. Since Then, The Department Has Kept Moving From Diploma Courses To Ph.D. Courses. The Department Presently Offers Following Courses. The Thrust Areas Of The Department Are Eco-Friendly Textile Wet Processing, Nano-Technology In Textile Processing, Natural Dye Applications, Chemical Modification Of Textile Fibres For Improved Performance Etc.

4(C) FEEDBACK TAKEN DURING THE YEAR

DEPARTMENT OF MECHANICAL ENGINEERING				
1	Students	April 01, 2025	We collect students’ feedback online on a 0–5 scale through questionnaires covering professors’ teaching methods, use of teaching aids, classroom interaction, and problem-solving approach.	At the end of each semester, this feedback is analyzed and shared with individual faculty members for self-assessment and improvement.

20. Oriental Institute

1 INTRODUCTION

The Oriental Institute Is A Post Graduate Teaching And Research Institute Right From Its Very Inception. His Highness Sir Sayajirao Gaekwad Iii Of Baroda Conceived The Idea In 1893 And Felt The Need For Establishing The Oriental Institute Which Can Collect And Preserve The Ancient Treasure Of Rare Manuscripts And Books. He Founded The Institute In 1927 And Invited Scholars To Edit These Ancient Works Based Upon Manuscripts Under The Gaekwad'S Oriental Series. For Educating The Common Persons, He Also Started The Translation Branch By Donating Rs. 2 Lacs, In Which Important Works Were Translated And Published Under Different Mala Series In Vernacular Languages. After The Establishment Of The M.S.University In 1949, The Oriental Institute Became The Constituent Part Of The University. The Publications Under The Gaekwad'S Oriental Series And The Other Mala Series Are Still Being Published. The Oriental Institute Has Huge Treasure Of Rare, Important, Illustrated Manuscripts (30,299) And Printed Books (1,00,000) Which Includes Many Rare Old Editions. Right From Its Inception, The Institute Is Rich In Manuscripts And Books On Diverse Subjects, Some Of The Books And Manuscripts Are Unique In Their Nature, Rarely To Be Found Anywhere Else. The Scholars From All The Corners Of India And Abroad Visit This Institute, Consult The Manuscripts And Books For Their Research Projects Or Research Works. The Main Activity Of The Institute Is Research And Publication. The Institute Publishes Important Unpublished Works On All Subjects Relating To Oriental Studies In General And Indology In Particular.

22. Department of Physical Education

Introduction

Physical Education and Sports are an integral part of general education. The Department of Physical Education has been tasked to support and organize sports activities of the university. The focus has been on raising general consciousness amongst student community and staff of the university about exercise and sports activities. Intra and inter mural tournaments are organized for various games and teams from amongst these players are selected to represent the university at local, state, national and international level. In addition to the sports activities, the department also undertakes various academic activities. To undertake academic courses the department is part of Board of Studies of the Faculty of Education and Psychology. To give an overview of the various activities undertaken by the department in the year 2023-2024 relevant aspects are enumerated below.

Establishment

The department is established to cater to sports activities of the university. To achieve the laid down task, the department is established for a staff of eight. The department, however, presently consists of one Director (In-charge), one Assistant Director (Men), one Assistant Director (Women) and one temporary Assistant Director. Presently four posts; one of Director and three of Assistant Director and one hockey coach, are vacant.

The department is also established for one senior clerk and one junior clerk, one coach, one swimming trainer, one ground supervisor, two assistant swimming trainers, one pump man cum mechanic, six ground men, one boat attendant, one mali, one peon, three watchmen to support functioning of the department. However, since the last many years there is no office clerk. This has been projected to the authorities.

Details of the available staff are placed as **Annexure – 1.**

The department currently operates from Union Pavilion building, as it is not yet established with the requisite infrastructure. The matter has been projected to the authorities.

Sports Activities

Sports infrastructure - To cater to the sports activities in the university, a number of sports facilities are available in the university campus. Besides this additional sports are supported by local bodies. The department looks after routine operation of Swimming pool, D N Hall cricket ground, Tennis courts, University Gymnasium, Multipurpose Hall and other indoor and outdoor sports facilities for the University. For undertaking sports in various disciplines, the following sports facilities are available:

Athletics track, University Gymnasium, Swimming pool, Badminton court, two Basketball Synthetic courts, two Tennis Synthetic courts, two Volleyball Synthetic courts, one Volleyball Court (Clay), one Kho-Kho court, two Kabaddi courts, one Cricket field with three turf wickets, four practice turf wickets and one Cricket field for tennis ball, one Hockey field, one Football field, one Table Tennis hall and one Handball court. A multipurpose hall is also available for indoor sports activities. Details of the available Sports infrastructure are placed as **Annexure – 2.**

Inter Faculty Student Tournament (IFST) – Every year the department organizes IFST in which the faculty teams participate. The university sports teams are generally selected during the conduct of these tournaments by the selection committee that is designated for each discipline.

Inter University Tournaments (IUT) – Participation of university teams in IUT is a major task of the department. This involves planning and action prior to, during and after the events. In the planning phase budget for each discipline has to be prepared. Coaches and selection committees need to be

appointed for each discipline. IFST is conducted for selection of players. Kitting of the selected players has to be ensured as per individual sizes. Coaching camps are planned and conducted for each discipline. Necessary approvals have to be obtained to cater for the financial needs of the teams. Managers need to be appointed and briefed. For routing the teams as per the tournaments, there are times when very little notice is available. During the event proper conduct of the players has to be ensured. Suitable arrangements for stay, meals and transportation have to be catered for. On return, a report has to be submitted that includes achievements and unusual occurrences, constraints, and suggestions. Proper accounts have to be submitted and settled.

Participation in Tournaments other than IUT – The University teams also participate in State Level Tournaments (Including Khel Maha Kumbh), District Level Tournaments and Open Tournaments. Selection is carried out for each tournament. Necessary support for kitting, coaching, management, administration, and finance is provided to each team.

Inter Faculty Staff Tournament (IFStaffT) – Every year the department organizes IFStaffT in which the faculty teams participate in nine disciplines.

Special Sports related Activities undertaken by the department

The department conducts various activities that are over and above the routine tasking. These activities are conducted on a voluntary basis with the support and approval of the university. These activities include conduct of workshops, celebrations and competitions.

Academic activities in the Department

The department is established for sports activities in the university. However, in addition it conducts academic activities in the following areas:

a. **CBCS FFCSc -** Department undertakes training for students of the faculty of Family and Community Science. Training includes theory and practical. The training and assessment caters for 02 credits. Dr. Vikas Prajapati was the coordinator of the training programme.

b. **CBCS Science -** Department undertakes training for students of the faculty of Science. Training includes theory and practical. The training and assessment caters for 02 credits. Dr. Sheetal Sheth was the coordinator of the training programme.

c. The department, as a member of the Board of Studies of the Faculty of Education and Psychology conducts the following academic activities

a. **PGDHF -** Department undertakes training for graduate students for duration of one year. Training includes theory and practical. The course caters for 32 credits. Dr. Sheetal Sheth was the coordinator for this activity.
b. **BPES -** Department undertakes training for students for duration of three years. Training includes theory and practical. The course caters for 144 credits. Dr. Vikas Prajapati was the coordinator for this activity.

Constraints

Infrastructure – The department operates from the Union Pavilion since it does not yet have its own infrastructure. The matter has been projected to the authorities.

Staff

a. **Teaching** – Over the years Sports disciplines and strength of students and staff has increased progressively but the manpower of the department has reduced with passage of time. This needs a review to ensure that better performance and developmental activities can be undertaken by the available staff.
b. **Support staff** – The office work for general correspondence, upkeep of records and other routine departmental activities warrant support staff in the department. In the absence of this

support the teaching staff perforce gets engaged that leaves little or no time for developmental activities in the department.

Conclusion

The department makes every effort to support the activities related to sports in the university. In spite of constraints of teaching and support staff, there has not been any shortfall in the assigned task. On the contrary the department has successfully carried out additional activities and tasks as well. With support from the university, we look forward to continued performance to achieve more laurels in the years to come.

STAFF PIC OF UNIVERSITY HEALTH CENTRE

25B Computer Centre

INTRODUCTION

The Computer Centre was established at The Maharaja Sayajirao University of Baroda in the year 1979. Computer Centre became a central facility with the assistance from the University Grant Commission (UGC), New Delhi and installation of IBM/360 system was made initially. During early years, research students and teachers were using the University Computer Centre for research data processing work. Further on, Computer Centre had started to undertake job works for different industries like Oil & Natural Gas Corporation (ONGC), Gujarat Electricity Board (GEB), and Indian Petrochemicals Corporation Limited (IPCL) etc. In 1999, the activities of the Computer Centre underwent a major reorganization with the establishment of a branch in the University Office premises for the purpose of administrative convenience, which was meant to take care of the automation of various university operations of Exams, Accounts and Administration. The original premises at the D. N. Hall embarked upon a major developmental agenda involving the establishment of network facilities, providing internet connectivity, deployment of web-based services and training of manpower and as facilitator for international academic interactions. In September 1999, a central facility for internet surfing SURFLAND was started at Computer Centre. During the past years, with the development in technology, the Computer Centre had upgraded hardware and software from the grants received from the UGC and different Five-Year Plan grants from the state government and other government funding agencies. The Computer Centre had widened its scope of activities and started to computerized university applications like Examination Result Processing System, Payroll System, and Provident Fund Accounting System and many more for smooth and digitized administration and functioning of the University.

Since 2021, Computer Centre has implemented its in-house developed ERP software MSU-IS as service for students, faculty and staff covering entire student life cycle at the University. The in-house developed MSU-IS is designed according to University rules and ordinances. Moreover, it has flexible design which can be blended to adapt any future requirement to make system ready for NEP 2020. Along with this Computer Centre also developed Annual Report Management System (ARMS) that provides every minute academic related reports. The Audit and Account Management System (AMS) is another key important software that manages financial administration of the University. For examinations management and renumeration processing Computer Centre has developed MSU Exam Portal (MEP).

The Computer Centre has been the hub of the computer related activities of the University since its inception. The Computer Centre has been managing and administrating entire network of the University using both wired and wireless connections and makes sure that campus is connected 24 by 7 for its students, staff and all other stake holders.

BEST ACTIVITIES

1. Student Life Cycle Management System (MSU-IS & Mulyankan)

A. **MSU-IS:** It is a single integrated system that provides complete student life cycle for university students. MSU-IS integrates more than twenty systems that includes application process, admission process, profile management, academics, examination, audit, fees payment, ID card generation, certificate request, result processing and many more. The major advantage of this system is that since it is developed inhouse it is fully customizable as per university requirements.

The system is secured and uses AWS services to ensure 24 X 7 availability for its students, staff, and all other stake holders. MSU-IS is considered as one of the best practice of the university to become digitally self-reliable. Time to time training regarding usage of MSU-IS portal is also provided to University staff members.

From the academic year 2024-25 as per the directions of Government of Gujarat, MSU-IS system was integrated with GCAS (Gujarat Common Admission Service) portal so that the desirous students can apply into the University from all over the Gujarat state. Through GCAS integration admission were given to bachelor's, master's and doctoral programmes of the University.

In continuation with GCAS integration a special portal for entrance test was also developed in MSU-IS portal which accepted entrance test fees for those courses which required scrutiny for admission purpose. Training to staff members regarding integration of GCAS portal with MSU-IS portal was also provided by Computer Centre Staff.

B. **Mulyankan:** A software project for exam event configuration, examination management, marks entry portal, result processing, tabulation sheet generation, marks-sheet generation, degree certificate generation and various statistical reports of the students at the university.

2. ePramanPatra (Online Document Requesting System)

In the present academic year ePramanPatra, online portal was developed as per the advice and guidance of Honourable Vice Chancellor to facilitate current and passed out students to receive various academic documents through online request mode. The students can apply for various documents like transcript, medium of instruction certificate, passing certificate, rank certificate etc online through this portal. On successful request concerned Faculty/Section will issue the required certificate. This certificate can be availed at any corner of the world through postal service and students can also physically collect the same as per their required choice. The ePramanPatra facility is available for all students since date of inception of the University. In January 2025 the ePramanPatra portal inducted the service of providing digital certificate online through email. These certificates had unique QR Code which can be verified upon scanning the certificate.

3. Annual Report Management System (ARMS)

This software project provides quick access to university data on a single platform, saving a lot of tedious paper works and provides various types of reports like Annual Report of the University, Annual Quality Assurance Report (AQAR), NAAC Report, Teachers Biodata/CV, QS Ranking, Times Higher Education Ranking, National Institutional Ranking Framework etc. Currently more than 1957 profiles of university teachers are maintained in ARMS, and the profiles are also directly linked to MSU main website. For the current academic year at university level ARMS reported statistic of total 477 events, 60 faculty awards, 36 extension activities carried out, 42 patents, 19 research projects, 35 scholarships awarded, 161 books published, 831 articles published, 554 paper presented and 257 invited talks. There are total of 42 different categories for which data are preserved academic year wise and can be easily obtained whenever required.

As per guidance and direction of Honorary Vice Chancellor a separate sub module for "Online Portal for Recommending Journals/Databases and other Learning Resources" was incorporated. The portal accepted the requirement for academic content from teachers at the University and provided input to University Library for the purchase of the materials as needed.

In the present year functionality of Qualitative Matrix at faculty level was developed to gather NAAC related qualitative information at faculty level. This functionality and its reports were very much helpful in gathering all the required data on single click at this online platform.

4. Audit and Account Management System (AMS)

The software provides effective automation of old manual billing process and keeps complete track of the budget and bill generation along with budget distribution under various budget heads over entire university. It also restricts overspending of budget, generates various reports required at different levels and fastens the complete bill processing task. In the current academic year more than 8393 regular bills, 2204 higher payment program bills and 410 M and C bills were processed using this system. All the bills are stored digitally and can be viewed at any point of time in future for audit.

5. MSU Examination Portal (MEP)

This portal manages examiner appointments, paper checking record and calculation of examination remuneration of respective teachers for theory as well as practical/viva/project examinations, including various reports in required formats.
MEP portal has also been integrated with the existing MSU-IS System so as to automatically import newly added subjects in MSU-IS to the MEP portal which helps reduce the work of the staff members to separately add the same subjects to the MEP portal as well.

6. Internet and Intranet Connectivity

Computer Centre manages internet and intranet connectivity through wired and wireless networks. For internet connectivity, bandwidth received from NKN is distributed through wired and wireless networks of the University. Intranet is used for internal software's of the University. The connectivity is made available to entire campus of the University, which includes faculties, colleges, institutions, centres, sections and hostels.

Visit to Vadodara Bus Terminal- Viksit Bharat Initiative

Event Overview

As part of the "Viksit Bharat" initiative, second-year BMSW students, accompanied by NSS volunteers, embarked on an insightful visit to the Vadodara Bus Terminal on October 11, 2024. This visit aimed to provide practical insights into transportation management while instilling a sense of patriotism and responsibility toward national development.

Gathering and Arrival

The day commenced with students gathering at the faculty parking area at 10:40 AM. Upon arrival at the Vadodara Bus Terminal, NSS volunteers introduced the students to the NSS clap, which they practiced in preparation to warmly welcome the special guest, Dr. Hemang Joshi, Member of Parliament.

Welcoming the Guest

Dr. Joshi was greeted with enthusiasm and the NSS clap, to which he responded with a cheerful greeting and well wishes for a pleasant day ahead. The camaraderie and spirit of the students were palpable.

Guided Tour of the Terminal

Following the welcome, students participated in a group photo session with Dr. Joshi, capturing the moment before embarking on a guided tour of the bus terminal. This tour provided a hands-on experience, allowing students to observe the terminal's layout and daily operations, giving them a practical understanding of how a public transportation hub functions.

Informative Talk

After the tour, Mr. Keyur Rokadiya, a senior official at the terminal, delivered an engaging talk about the significance of transportation infrastructure. He highlighted the critical role that bus terminals play in sustaining public transport systems. The students were highly engaged, gaining valuable insights into the terminal's contributions to the city's transportation network and its broader impact on the daily lives of citizens.

Collective Pledge

The event culminated in a collective pledge led by Dr. Joshi, where students and faculty committed themselves to actively contributing to India’s progress and development. This moment served as a powerful reminder of their shared responsibility in promoting national growth.

Memorable Conclusion:

Before departing, students took several group photos to commemorate the experience, encapsulating the spirit of teamwork and national pride that permeated the visit.This visit not only allowed students to witness the operational aspects of a bus terminal but also reinforced the vital role of public infrastructure in national development. The enthusiasm shared by Dr. Joshi and Mr. Rokadiya inspired the students to consider their contributions to the nation's growth. The NSS clap symbolized unity and discipline, promoting a sense of teamwork among the participants and leaving them motivated to embrace their roles as responsible citizens.

Vikas Saptah 2024 - Bharat Vikas Pledge

Event Overview:

The Vikas Saptah 2024, a week dedicated to development and community engagement, took place from October 7th to October 15th, culminating in the Bharat Vikas pledge on October 15, 2024. This significant event was held at the Deep Auditorium, situated within the BBA Building.

Dignitaries Attending:

- **Professor Dr. Vijay Kumar Srivastava:** Honorable Vice-Chancellor of The Maharaja Sayajirao University of Baroda
- **Dr. K.M. Chudasama:** Registrar of MSU Baroda
- **Professor Dr. Sunita Nambiyar:** NSS Program Coordinator of MSU Baroda, who played a pivotal role in the success of the program.
- Additionally, all **Deans and Heads of Faculties** were invited to partake in the pledge, highlighting the event's importance across the university's leadership.

Preparations:

In preparation for the event, Sunita Ma'am instructed all NSS interns to ensure that the venue was ready and that all arrangements were executed flawlessly. The interns, along with students, eagerly awaited the arrival of the dignitaries.

Address and Pledge:

Upon arrival, the attendees were warmly welcomed. Sunita Nambiyar Ma'am took the opportunity to address the students, discussing the overarching objectives of the Vikas Saptah and the significance of the Bharat Vikas pledge. Her speech inspired and motivated the participants, emphasizing collective responsibility and community development.

As the dignitaries took their places, the moment everyone had been waiting for arrived: the Bharat Vikas pledge. This solemn commitment marked a powerful conclusion to the event, uniting everyone present in a shared vision for progress and development.

The successful execution of the pledge reinforced the spirit of cooperation and dedication to the ideals of growth and service, leaving a lasting impact on all participants. The Vikas Saptah 2024 was not just an event; it was a celebration of unity, purpose, and the drive to promote positive change in society.

World Suicide Day

Overview

World Suicide Prevention Day 2024, observed on Tuesday, September 10, aims to raise awareness about suicide, promote preventive actions, and support individuals struggling with mental health challenges. Organized by the International Association for Suicide Prevention (IASP) and the World Health Organization (WHO), the day fosters hope, connection, and community action to reduce stigma and improve access to mental health resources. Activities typically include educational events, public awareness campaigns, and vigils to remember those lost to suicide, emphasizing the importance of creating supportive environments and encouraging open conversations about mental health.

Preparation

As per the instructions the students prepared a Power Point Presentation and posters on World Suicide Day. They have to do activity on college level.

Activity-1

The NSS students conducted an orientation session for the SY class on the topic of World Suicide Prevention Day. To begin the session, they engaged the students by asking about possible reasons behind suicide. The SY students actively participated, sharing their thoughts and mentioning factors such as peer pressure, anxiety, and other mental health struggles. This interactive discussion created a platform for understanding the gravity of the issue and highlighting the importance of addressing mental health challenges effectively.

In response to questions from the SY students about what could be done if someone has suicidal thoughts, the NSS students provided thoughtful and practical advice, they emphasized the importance of encouraging such individuals to seek professional counselling and suggested that peers or family members talk to them compassionately to understand the root causes of their distress. To reinforce the message, the NSS students showcased posters they had prepared, which contained supportive messages and information about mental health resources. The session was both informative and impactful, fostering awareness and empathy among the SY students.

Activity-2

After completing their classroom session, the students went to the canteen to raise awareness about World Suicide Prevention Day among students from various classes. Unable to use a presentation in the informal setting, they delivered their message verbally, discussing the importance of recognizing warning signs of suicidal thoughts and offering support. They emphasized seeking professional counselling, maintaining open communication, and the role of friends and family in providing emotional support. Through their approachable interactions, they effectively encouraged students to be mindful of mental health, extending their campaign beyond the classroom.

NSS Orientation

Activity

The students visited the BBA faculty to conduct an orientation for all three FY classes about the National Service Scheme (NSS). During the session, they explained the purpose and activities of NSS, emphasizing how volunteering fosters personal growth, social responsibility, and leadership skills. They highlighted the future benefits for students who enrol as NSS volunteers, including certificates that can be valuable for career opportunities and further studies. The session aimed to inspire students to participate actively in NSS activities while showcasing the long-term advantages of being part of the program.

The BBA students showed great interest and asked about the process of enrolling in NSS. In response, the NSS team shared the enrolment link with the respective class representatives, who would then distribute it to their classmates. The teachers and students responded positively to the session, appreciating the clarity and enthusiasm of the orientation. This engagement successfully created awareness about NSS and motivated students to join, reflecting the overall success of the initiative.

Activity

The students visited to Sankalp bhumi. The visit aimed to deepen the students' understanding of the Preamble of the Indian Constitution, its historical importance, and the role Dr. B.R. Ambedkar played in shaping India’s democratic framework.As part of the visit, they began by reading aloud the Preamble of the Indian Constitution in front of his statue. The Preamble was read with respect and enthusiasm, as the students reflected on the core values it represents: Justice, Liberty, Equality, and Fraternity. The discussion was guided by Hiral ma'am, who explained the significance of each phrase in the Preamble. The students were encouraged to reflect on the concepts of justice, equality, and liberty, and how these values continue to shape Indian society todayAfter discussing the Preamble, mam provided a brief historical overview of Dr. B.R. Ambedkar’s journey and his conversion to Buddhism. She explained how Ambedkar, after years of studying different religions, embraced Buddhism as a means of social and spiritual liberation, particularly in protest against the caste-based discrimination he faced.

Then the students came back to faculty and read the preamble in the faculty garden with the professor's.The students again read the Preamble aloud in the presence of the professor, reflecting on its profound impact on society. The professor also encouraged the students to think about how they, as future professionals in the field of social work, could actively contribute to making the ideals of the Constitution a reality.The session emphasized how the values enshrined in the Preamble align with the core principles of social work, such as promoting equality, supporting marginalized communities, and upholding human dignity.

National Youth Day

Overview

The NSS unit celebrated **National Youth Day** on **10th January 2025** to honour the birth anniversary of **Swami Vivekananda**. The event featured **Swamiji from the Ramakrishna Mission** as the chief guest, who delivered an inspiring address to the students. He emphasized Swami Vivekananda's teachings on self-confidence, discipline, and service to society, urging the youth to work towards their goals with determination.

An **elocution competition** was also organized, with the **first round held on 8th January** and the **final round on 10th January**. Participants spoke on themes related to Swami Vivekananda and youth empowerment. A panel of judges evaluated the performances and appreciated the students' efforts.

Gujarat Cultural Elocution Competition – College & Zone level

The event was a meaningful tribute to Swami Vivekananda and served as a source of motivation for all attendees.

Overview

The **Gujarat Cultural Elocution Competition** was organized in collaboration with the **Save Bharat Save Culture Foundation**, aimed at promoting cultural values and public speaking among youth.

The **College Level** competition took place on **17th March 2025**, where students from the college enthusiastically participated. Winners from this round represented the college in the **Zone Level Competition** held on **18th March 2025**, which saw participation from various colleges.

The **Zone Level** event was judged by a panel of **invited experts**, who evaluated participants on their content, clarity, confidence, and cultural relevance. The event provided a platform for students to express themselves on culturally rich themes and enhanced their appreciation for Gujarat's heritage.

Martyrs Day

Overview

To honor the sacrifices of India's brave freedom fighters, **Martyrs' Day** was observed on **30th January 2025** by the NSS Unit with great reverence and patriotism. The event aimed to pay tribute to the heroes who laid down their lives for the nation, particularly marking the death anniversary of **Mahatma Gandhi**.

As part of the celebration, a **Patriotic Song Competition** was organized to instill a sense of national pride among students. Participants showcased their talent and emotional connection to the nation through soulful and energetic performances, reflecting the spirit of unity and sacrifice.

The event was graced by **Captain Deepak Bahuguna**, **Commanding Officer of the Gujarat Naval Unit**, as the **chief guest**. In his address, Captain Bahuguna emphasized the importance of remembering the sacrifices of our martyrs and encouraged the youth to contribute positively to the nation. His words served as a powerful reminder of the responsibility that lies with the younger generation in preserving the country's values and freedom.

The competition was judged by a panel of faculty members who appreciated the dedication and enthusiasm of all participants. The event concluded with a moment of silence in honor of the martyrs, leaving everyone present with a renewed sense of patriotism and purpose.

S.Y BMSW Activities

Group : 1 - Yuva Shakti

The Youth Parliament organized by NSS Group 1 commenced at 2:45 PM, with student participants arriving by 2:15 PM. The event began with the University Song, followed by the NSS Song.

Prof. Dr. Sunita Nambiyar inaugurated the session and expressed her appreciation for the initiative, stating it was the first time she had witnessed such a concept at the Faculty of Social Work. She was particularly impressed by the students' attire and the thematic setup.

Parthiv Bhatt then introduced the concept of the Youth Parliament, highlighting the topic "Viksit Bharat" as more than a slogan—calling it a national mission. He welcomed the attendees and explained the event's structure, rules, and expectations.

The proceedings began with Speaker Jacklin inviting each ministry to deliver their speeches. Participants spoke in both English and Hindi, with each speech lasting approximately 2 minutes. Applause was expressed through traditional table tapping, creating an authentic parliamentary atmosphere.
Throughout the event, NSS volunteers managed sound, projector systems, and captured individual videos of all participants.
Faculty members including Sharmishta Ma'am, Laishram Sir, and Ushma Ma'am visited during the event to show their support.
At the end, addresses were delivered by the Speaker, Prime Minister, and President, followed by Hiral Ma'am, who praised the conduct, discipline, and enthusiasm of the participants. She shared that she had never seen a Youth Parliament executed so thoughtfully.
The event concluded with a vote of thanks by Nisha, who acknowledged the support of teachers, the efforts of all participants, and reinforced that *"Viksit Bharat is not just a goal, but a journey."*
The event ended at 5:45 PM with the National Anthem.

<u>Group : 2</u> - Eco Warriors

The student-led group, *Eco Warriors*, from the Faculty of Social Work successfully conducted a Cleanliness Drive aimed at fostering environmental consciousness and promoting a cleaner, healthier campus environment. Held on 24th feb , the initiative brought together students of SYBMSW Class and NSS Volunteer in a collective effort to enhance the hygiene and aesthetics of the campus surroundings.

The drive targeted key areas including amphitheater, vollyball ground,spaces around the Faculty building. Participants actively engaged in collecting litter, organizing waste disposal, and spreading awareness on topics such as proper waste segregation, recycling, and sustainable living practices.

This initiative served as a reminder of our shared responsibility toward the environment. It successfully instilled values of civic responsibility and environmental stewardship among students. Moving forward, the Eco Warriors plan to host regular drives and awareness campaigns to embed sustainability into everyday campus life.

Group : 3 - Swachh Samaj Surjan

1. Skit on Waste Management

During the NGO Fair, the group performed a skit to raise awareness about cleanliness and effective waste management. The performance was creatively designed to deliver an impactful message through storytelling, engaging the audience in a fun and meaningful way. A rally with the slogan "Natak Jao, Natak Jao" was conducted beforehand to draw attention and gather an audience. The skit took place at Dr. B.R. Ambedkar Hall and successfully communicated the importance of waste segregation and responsible civic behavior.

2. Dustbin Making

To address littering and promote proper waste disposal, a Dustbin Making activity was organized at the Amphitheatre. The team created two types of eco-friendly bins: durable outdoor dustbins made from recycled oil cans for parking and garden areas, and lightweight indoor bins crafted from collected cardboard boxes for classroom use. This initiative not only improved cleanliness across campus but also encouraged sustainable practices through the creative reuse of materials.

3. Tyre Seating Creation

Old tyres were repurposed into comfortable, colorful seating for the canteen area as part of the team’s sustainability efforts. The tyres were sourced from a classmate’s family shop and reinforced with ropes to create sturdy and functional seats. This initiative added both utility and aesthetic value to the campus while promoting the innovative reuse of discarded items, aligning with the broader waste management theme of the group’s activities.

4. Wall Painting

On March 11, the group carried out a wall painting activity to promote cleanliness and social responsibility through visual art. Using leftover paints from other groups, they painted faculty walls with impactful messages and illustrations. This creative medium served as a powerful tool to communicate social values, beautify the campus, and engage students in expressing meaningful ideas artistically.

5. Best Out of Waste Competition

A Best Out of Waste competition was held at the Amphitheatre to encourage students to transform discarded materials into useful and decorative items. This engaging event fostered creativity, teamwork, and awareness about sustainable living. The artistic creations were later used for campus beautification, and winners were recognized with certificates, motivating continued involvement in eco-conscious initiatives.

Group 3

Group : 4 - SANSKRITI MANDAL

The activity successfully fostered cultural awareness and promoted integration among students through an immersive exploration of India's diverse states. Conducted as an interactive and enriching event, students were grouped into pairs, with each duo assigned a different Indian state to research and represent. The event became a vibrant celebration of India's rich cultural mosaic, transforming the venue into a kaleidoscope of colours, traditions, and stories.

Each pair showcased the unique heritage of their assigned state through a variety of engaging formats. Traditional dance performances brought regional art forms to life, while cultural presentations offered insights into local customs, festivals, historical landmarks, and culinary specialties. Participants also donned authentic cultural attire, adding visual authenticity to their representations and demonstrating the distinctive styles of each region. Language demonstrations further enhanced the experience, as students greeted the audience and exchanged common phrases in their assigned state's official language, highlighting India's linguistic diversity.

The event concluded with comprehensive state introductions delivered with creativity and enthusiasm, reflecting the depth of research and dedication put forth by each team. Overall, the activity not only deepened students' understanding of India's cultural richness but also strengthened bonds across diverse backgrounds, fostering unity in diversity through experiential learning.

Group 4

<u>Group : 5</u> – KalaKriti Clan

1. Walkway Painting in Parking Areas:

Faculty volunteers engaged in painting walkways and curbs across the parking areas. This included clear, fresh markings for pedestrian pathways and designated parking zones, improving both the appearance and safety of these areas.

2. Hallway Plant Installation:

Decorative indoor plants were strategically placed along major hallways to create a more vibrant and refreshing environment. These plants contribute to air purification, reduce stress, and promote a sense of calm for all who walk the halls.

3. Poster Boards with Motivational Quotes:

Faculty members collaborated to design and install attractive poster boards across campus. These boards display uplifting and motivational quotes aimed at encouraging students and promoting a positive mindset. The quotes are updated regularly to maintain engagement and inspiration.

Group 5

Group : 6 -

1. Project Planning and Selection

The project commenced with a collaborative brainstorming session among the group members to align with the core objectives of the National Service Scheme (NSS). A comprehensive PowerPoint presentation was prepared and delivered on January 17th, showcasing a range of potential activities aimed at promoting community engagement, environmental responsibility, and sustainable development.

Following valuable feedback from mentors and coordinators, the group shortlisted and submitted three refined project proposals on February 8th. These included:

1. From Vacant to Vibrant – A campus beautification initiative.
2. DIY Biodiversity – An ecological enhancement project.
3. Zero Waste Management – A waste reduction and segregation initiative.

After careful evaluation, the "DIY Biodiversity" project was selected for implementation. A detailed action plan was presented on February 13th, outlining a series of activities focused on creating a self-sustaining biodiverse ecosystem within the faculty premises. The plan emphasized environmental awareness, student participation, and long-term ecological impact.

2. Site Preparation and Construction

The site identified for the project was a vacant plot located behind the NX Building. On February 24th, the area was thoroughly cleaned, and groundwork began with the digging of planting pits. This effort involved active participation from all group members and marked the beginning of the transformation process.

To support biodiversity and encourage the presence of native fauna, a birdhouse was skillfully constructed on February 27th by Drishya, Sanjana, and Vallabhi. The birdhouse was designed to attract and provide shelter for local bird species, adding a dynamic element to the ecological space.

Simultaneously, a compost pit was constructed on the same day by Nandan, Harshil, and Harshit. This facility was intended for managing biodegradable waste generated within the area, ensuring a sustainable cycle of organic matter and promoting awareness of natural waste decomposition

methods.

3. Plant Acquisition and Plantation

Procuring appropriate plant species posed a logistical challenge due to seasonal constraints and limited availability at local nurseries. Undeterred, Nandan, Harshit, and Aman undertook a visit to Anand Agriculture University on March 12th, where they successfully acquired a selection of region-appropriate and environmentally beneficial plants.

The plantation drive was conducted the following day, on March 13th, from 8:00 AM to 2:00 PM. The activity witnessed enthusiastic participation and meticulous execution, resulting in the successful establishment of a new green zone within the campus. The selection of flora was made with a focus on biodiversity, native adaptability, and minimal maintenance requirements.

Group 6

Group : 7

1. Kitchen Garden – A Step Towards Self-Sufficiency

A thriving kitchen garden was cultivated near the canteen, featuring various vegetables including tomatoes, brinjals, cucumbers, French beans, ladyfinger, capsicum, chillies, and garlic. This initiative aimed to promote organic farming, ensuring fresh and chemical-free produce for daily use. The carefully nurtured plants reflected the dedication and commitment of the volunteers towards sustainable living.

2. Wall Creepers – A Green Aesthetic

The NSS volunteer group "Sendriya" took the initiative to adorn the canteen wall with money plant creepers, creating a visually stunning and environmentally friendly space. The lush green creepers not only enhanced the beauty of the area but also contributed to better air quality, making the space more inviting and refreshing.

3. Leafy Vegetation – A Source of Fresh Herbs

A dedicated section for leafy vegetation was cultivated by the NSS volunteers, including coriander, mint, and curry leaves. These fresh herbs, known for their culinary and medicinal benefits, provided an excellent example of how small-scale gardening can contribute to a healthier lifestyle and a greener environment.

4. Tree Plantation – A Gift for the Future

Understanding the long-term impact of afforestation, the NSS volunteers actively participated in tree plantation, ensuring a greener and healthier future. This initiative aimed to enhance biodiversity, reduce carbon footprint, and foster a sustainable ecosystem for future generations.

Exposure visit to Jambughoda Wildlife Sanctuary

Introduction

A one-day exposure visit was organized for the Second-Year Bachelor of Social Work (SY BMSW) students, along with the NSS team, to Jambughoda Wildlife Sanctuary. The visit aimed to provide an experiential learning opportunity by exploring environmental and social work perspectives through trekking, observation of biodiversity, and group discussions.

Objectives of the Visit

The visit was planned with the following objectives:

To understand the ecological significance of Jambughoda Wildlife Sanctuary.
To observe and analyze environmental conservation efforts.
To experience teamwork and leadership skills through trekking.
To reflect on the role of social work in environmental protection.
Activities Conducted

Trekking and Exploration

The group embarked on a trekking journey through the dense forest of Jambughoda. The trek provided an opportunity to witness the rich biodiversity of the region, including various species of flora and fauna. The students also learned about the importance of wildlife conservation and the impact of human activities on forest ecosystems.

Visit to the Viewpoint

Upon reaching the viewpoint, the participants were greeted with a breathtaking panoramic view of the sanctuary. This moment allowed for reflection on the relationship between humans and nature, highlighting the importance of sustainable practices. The serene environment also served as a space for meaningful discussions on environmental sustainability and social responsibility.

Lunch and Cultural Exchange

A full-course lunch was arranged in the natural surroundings, fostering a sense of community among the participants. The gathering provided a platform for informal conversations, strengthening team bonding and enhancing cultural exchange.

Conclusion

The exposure visit to Jambughoda Wildlife Sanctuary was an enriching experience for the SY BMSW students and the NSS team. It not only provided insights into the ecological aspects of the sanctuary but also reinforced the significance of social work in environmental conservation. The visit emphasized the importance of collective efforts in preserving natural resources and encouraged students to actively participate in sustainable development initiatives.

The event concluded with a note of gratitude to the organizers, faculty members, and forest authorities for making the visit a memorable and educational experience.

Industrial Consultancy Projects

1) Dr. J. D. Rathod, Dr. M. K. Maroliya, Dr. N. K. Solanki, Dr. V. R. Patel, Dept. of Applied Mechanics & Structural Engineering, Faculty of Technology & Engineering
Duration: 2 Months Rs. 2,55,000/- + Rs. 45,900/- GST
University Sharing Rs. 64,400/-
Subject: Proof Checking of Structure Design and Drawings for Type-III Quarters, Classroom, Extension of Dining Hall and Septic Water Tank at E.M.R.S Ahwa, Dang and Kendriya Vidhyalaya at Sayali Silvasa Gujarat with **Central Public Works Department**
Permission granted for the Industrial Consultancy Project (No. ADE6/697) on 23-08-2024, **Completed**

2) Dr. J. D. Rathod, Dr. M. K. Maroliya, Dr. N. K. Solanki, Dr. V. R. Patel, Dept. of Applied Mechanics & Structural Engineering, Faculty of Technology & Engineering
Duration: 2 Months Rs. 3,35,000/- + Rs. 60,300/- GST
University Sharing Rs. 92,750/-
Subject: Evaluating condition assessment of Karjan Administrative Building at Rajpipla with **The Executive Engineer**
Permission granted for the Industrial Consultancy Project (No. ADE6/822) on 25-09-2024, **Completed**

3) Dr. Prashant Murumkar, Faculty of Pharmacy
Duration: 24 Months Rs. 1,83,051/- + Rs. 32,949/- GST
University Sharing Rs.
Subject: Development of novel small molecules having potential therapeutic activity with Megafine Pharma (P) Ltd.
Permission granted for the Industrial Consultancy Project (No. ADE6/994) on 12-11-2024, **Ongoing**

4) Dr. Pankaj S. Prajapati, Mr. Mihir Koladiya, Ms. Khushi Mahajan, Dept. of Civil Engineering, Faculty of Technology & Engineering
Duration: 1 Month Rs. 10,475/- + Rs. 1,885/- GST
University Sharing Rs. 3,123/-
Subject: Black spot investigation and report preparation for site near Asoj village on SH87with Gujarat Road Safety Authority
Permission granted for the Industrial Consultancy Project (No. ADE6/1148) on 17-12-2024, **Completed**

5) Dr. J. D. Rathod, Dr. M. K. Maroliya, Dr. N. K. Solanki, Dr. V. R. Patel, Dept. of Applied Mechanics & Structural Engineering, Faculty of Technology & Engineering
Duration: 1 Month Rs. 25,000/- + Rs. 4,500/- GST
University Sharing Rs. 5,600/-
Subject: Proof Checking of Structural Design and Drawings of Portico at ONGC Mahesana with Almak Project Management & Audit Consultants
Permission granted for the Industrial Consultancy Project (No. ADE6/1083) on 03-12-2024, **Completed**

6) Dr. J. D. Rathod, Dr. M. K. Maroliya, Dr. N. K. Solanki, Dr. V. R. Patel, Dept. of Applied Mechanics & Structural Engineering, Faculty of Technology & Engineering
Duration: 1 Month Rs. 60,000/- + Rs. 10,800/- GST
University Sharing Rs. 11,200/-
Subject: Vetting of Structural Drawings of four categories of Octagonal Poles for installing security camera with Anita Arora
Permission granted for the Industrial Consultancy Project (No. ADE6/1201) on 24-12-2024, **Completed**

7) Prof. Upendra D. Patel, Dept. of Civil Engineering, Faculty of Technology & Engineering
Duration: 3 Months Rs. 1,10,000/- + Rs. 19,800/- GST
University Sharing Rs. 30,500/-
Subject: Study of the treatment of 1 Amino Anthra Quinone wastewater with a specific focus on the removal of thiosulfate with Meghmani Novotech Private Limited
Permission granted for the Industrial Consultancy Project (No. ADE6/144) on 21-04-2025, **Completed**

8) Dr. J. D. Rathod, Dr. M. K. Maroliya, Dr. N. K. Solanki, Dr. V. R. Patel, Dept. of Applied Mechanics & Structural Engineering, Faculty of Technology & Engineering
Duration: 1 Month Rs. 3,32,600/- + Rs. 59,868/- GST
University Sharing Rs. 1,03,110/-
Subject: Evaluation of Structural Stability for staff quarters and office building at Narmada Project Colony, Kalol (Panchmahal) with M/s The Executive Engineer
Permission granted for the Industrial Consultancy Project (No. ADE6/1650) on 29-03-2025, **Completed**

9) Dr. J. D. Rathod, Dr. M. K. Maroliya, Dr. N. K. Solanki, Dr. V. R. Patel, Dept. of Applied Mechanics & Structural Engineering, Faculty of Technology & Engineering
Duration: 1 Month Rs. 50,000/- + Rs. 9,000/- GST
University Sharing Rs. 12,250/-
Subject: Vetting of Structural Design and Drawings of VMSS bio gas tank at Vadodara with M/s Swati Consultants
Permission granted for the Industrial Consultancy Project (No. ADE6/1600) on 22-03-2025, **Completed**

10) Dr. J. D. Rathod, Dr. M. K. Maroliya, Dr. N. K. Solanki, Dr. V. R. Patel, Dept. of Applied Mechanics & Structural Engineering, Faculty of Technology & Engineering
Duration: 6 Months Rs. 10,00,000/- + Rs. 1,80,000/- GST
University Sharing Rs.
Subject: Evaluation of structural stability of Aqueduct by NDT and structural design of Aqueduct for canal under Dev Dam Irrigation system with M/s Executive Engineer Vadodara Irrigation Department

26C Office of Alumni Affairs and Donor Relations (OAADR)

The following activities were carried out during the year 2024-2025 by the Office of Alumni Affairs and Donor Relations

1. **Pitchfest**

The shortlisted teams of Incubator program of MSU Vision 2020 were invited to pitch their final ideas and start-ups to compete for a winning prize of Rs. 2,00,000/- and a runner up prize of Rs. 1,00,000/-. The event was graced by Hon. Vice Chancellor, Prof. V K Srivastava in presence of other staff members and students of Faculty of Technology and Engineering.

MSU alumni launch seven clubs

Vadodara: Inspired by the web and coding club, one of the biggest clubs of the prestigious IIT Bombay, M S University's alumni on Friday launched seven clubs at the Faculty of Technology and Engineering (FTE).

MSU Vision 2020, a global network of alumni from countries including the USA, the UK, Canada, Singapore and India, on Friday launched seven clubs. They are: robotics and EV club, coding club, toastmasters club, finance club, entrepreneurship club, fuels network (sustainability & environment club), and chess club.

These clubs will be funded and actively encouraged by MSU Vision 2020, promoting skill development and community engagement among students.

The initiatives were launched at FTE's Sir M Visvesvaraya auditorium. The initiative is a collaboration between MSU Alumni Foundation, the Office of Alumni Affairs and the donor relations team of MSU. In the auditorium, the winners of the topper's award for the academic year were, along with the results of Incubator 4.0 programme, were announced at the function. TNN

Alumni interaction sessions were organised at various departments where Alumni Speakers shared their success stories and the hardships they faced to reach where they are today along with sharing of their technical and professional knowledge

6. **Meetup with Padmashri Ajay Bhatt :**

A proud moment for MSU as we felicitate our distinguished alumnus and Padma shri awardee, Shri Ajay V. Bhatt, the visionary behind the USB innovation. Before the official felicitation, an interaction was arranged with students of Faculty of Technology and Engineering where Mr. Ajay Bhatt shared that from MSU's classrooms to transforming global technology his journey came a full circle and truly inspires us.

Alumni Supported Center of Excellence for Sustainability

OAADR coordinated and supported Alumni funded the development and deployment of moisture free, compressor free, split air cooler in the Refrigeration and Air Conditioning Laboratory of mechanical Engineering department. The project's goal is to provide a comfortable cool environment in an eco-friendly way. This eco-friendly cooler uses water as a working medium. The early tests have shown promising results by achieving a drop of ~10 degrees C, cooling rate of 1 Ton and EER (Energy Efficiency Ratio) of 12 (double the rate of typical Air conditioners).

7. **Coordination of Donations**

Office of Alumni Affairs and Donor Relations has been coordinating with various Alumni Donors for smooth transition and utilization of donations. It plays the role of bridge between various departments / faculties and their donors for the same.

8. **Support and coordination for Reunions**

Office of Alumni Affairs and Donor Relations has been supporting various alumni batches for arranging reunions from time to time.

MSU to collaborate with US varsity to offer dual degree

TIMES NEWS NETWORK

Vadodara: M S University and US-based Nova Southeastern University will collaborate to offer dual degree programmes for graduate and PhD students, providing students with enhanced opportunities in academia and research.

MSU's Office of International Affairs (OIA) organized a meeting with Fauzy Joseph Sliba, assistant director of graduate admissions, and Manish Singh, international recruiter for the US-based varsity on Friday.

Discussions were held to promote joint research activities, engage in research-based policy solutions, appoint co-guides for master's or doctoral dissertation work, organize collaborative research meetings and conferences, and promote the exchange of faculty members for training, fieldwork, or internships. Additionally, the exchange of scientific materials, publications and information was discussed.

MSU officials with Nova Southeastern University counterparts

"Students taking part in an exchange program will be entitled to a full exemption from registration and tuition fees in the host institution. Any additional costs that an exchange student can be asked to pay will not be higher than those payable by students of the home institution. However, the student has to bear the travel expenses and the lodging and boarding expenses," a university official said.

"During the discussions, both parties tentatively agreed to move forward with the MoU, aiming to create opportunities for faculty and students to engage in cross-cultural learning, academic exchanges and joint research projects," official said, adding that further steps will be taken to formalise the agreement between the two institutions.

❖ MSU Baroda Signs Two MoU's with Beaux-Arts de Paris to Foster Academic and Cultural Exchange

The Maharaja Sayajirao University of Baroda (MSU Baroda) has signed two Memorandums of Understanding (MoU's) with École Nationale Supérieure des Beaux-Arts (Beaux-Arts de Paris), France, on February 7 2025, aimed at promoting academic collaboration and cultural exchange between the two institutions.

The first MoU focuses on initiating a faculty exchange program and enhancing cross-cultural understanding, learning, and knowledge sharing in the fields of Fine Arts and Design. This partnership will foster opportunities for faculty members to collaborate on innovative teaching and research initiatives, benefiting both institutions.

The second MoU, effective from June 2025, establishes a student exchange program. Each academic year, one student from each institution will undertake a semester at the partner institution. Participating students will receive full exemption from registration and tuition fees at the host institution. They will have access to courses normally offered by the host institution, with grades and credits being transferred back to their home institution.

The MoU's were signed by In-charge Vice Chancellor of MSU Baroda, Prof. (Dr.) Dhanesh Patel, Offg. Registrar, Dr. K.M. Chudasama, Dean of Fine Arts, Prof. (Dr.) Ambica Patel and Alexia Fabre, Director of École des Beaux-Arts in Paris.

Prof. (Dr.) Vanisha Nambiar, Deputy Director (Partnerships and Collaborations) of the Office of International Affairs, emphasized that Alexia Fabre is the first woman to lead the prestigious art school in nearly 400 years and is known for her commitment to diversity. The MoU's reflect this emphasis on inclusivity and aim to enhance the exchange of students, faculty, and information for the mutual benefit of both institutions.

The MoU's also include provisions for joint seminars, lectures, workshops, and other events to promote collaboration between the institutions. From MSU Baroda, Dr. K.M. Chudasama, Offg. Registrar, and Prof. Ambica Patel, Dean of the Fine Arts Faculty, were also present during the signing ceremony, along with the entire staff of the Office of International Affairs.

This partnership aligns with MSU Baroda's vision to provide global exposure to its students and faculty, fostering innovation and inclusivity in the fields of arts and education.

VISION

"The progress of a Nation requires that its people should be educated. Knowledge is a necessity of man. It instills in him a desire to question and to investigate, which leads him on the path of progress. Education, in the broadest sense, must be spread everywhere.

With this end in view, I started various reforms in my State. Progress can only be achieved by the spread of Education.

Cooperation is necessary to achieve any worthy end and this readiness to cooperate will not be found in people if they are not educated"

Event Description:

The aim is to provide the students with general awareness regarding cyber law, cybercrime, and ways to keep away from being victims. The Faculty of Family and Community Science, The Maharaja Sayajirao University of Baroda, organized a Seminar on "Awareness on Cyber Crime on 3rd March 2025 at 12:30 pm onwards.

The distinguished speaker was welcomed by Dr. Reena Bhatia, Director Institute of Leadership, The Maharaja Sayajirao University of Baroda. The participants were guided by Mr. Mahendra Motwani, P.I., Cyber Cell, Vadodara. At the beginning of the event, he introduced the website - **https://haveibeenpwned**. to all attendees. He explained that by entering their email address or password, users could check whether their credentials had been compromised in any data breaches.

He threw light on what is cyber-crime, in which he explained-Computer cyber-crime, high tech crime or electronic crime which generally refers to computer network which are the source or place of crime, Computer crime can be broadly defined as criminal activity involving information technology infrastructure including illegal access forgery and electronic threat in which he gave example of Internet fraud trade secrets, leakage identity threat.

He explained protection against ransomware and how to prevent an infection he provided us with the following tips, never click on unsafe links, avoid disclosing personal information, do not open suspicious email attachments, consider cloud technology, etc.

One of the key points he discussed during the event was the Specific Absorption Rate (SAR) Value. SAR measures the amount of radio frequency (RF) energy absorbed by the human body from a mobile phone, expressed in watts per kilogram (W/Kg). He emphasized the importance of using electronic devices with regulated SAR values, as these limits are set to prevent excessive RF exposure and safeguard public health.

Lastly, he emphasised that any person who is a victim of Cyber Crime must complain to the nearest cyber police station. We received more than 217 registrations from across the various faculties of the university.

The Seminar ended with a Q&A session with the participants. Then Jayant Agarwal delivered a Vote of thanks to all luminaries and the audience. Lastly, he gave warm thanks to Mr. Motwani for giving his precious time for the seminar from his busy schedule. The session was then formally ended with the National Anthem.

The entire event was successfully convened by Seminar coordinator Mr. Jayant Agarwal with the support of the young student volunteer members' team under the dynamic leadership of Prof (Dr.) Anjali Pahad and Dr. Reena Bhatia, mam.

Event Summary: Atal Bihari Vajpayee Institute of Policy Research and International Studies and the School of International Studies, Central University of Gujarat, jointly organized a two-day National Seminar on "Ideas of India's Eminent Educational Thinkers and Transformative Education through NEP – 2020" on 27th and 28th February 2025.

The seminar brought together distinguished scholars, policy experts, and academic leaders to revisit and reflect upon the educational visions of prominent Indian thinkers and their relevance to the objectives of the National Education Policy (NEP) 2020.

The inaugural function featured addresses by eminent dignitaries, including Rajmata Shubhanginiraje Gaekwad, Hon'ble Chancellor of MSU, and Prof. Rama Shanker Dubey, Hon'ble Vice Chancellor of CUG. The keynote address was delivered by Shri Laxman Guntha, noted social thinker, who emphasized the need for value-based and context-rooted education. Prof. Amit Dholakia, Director of AIPRIS, introduced the seminar theme, highlighting the importance of aligning India's philosophical heritage with contemporary educational reforms.

The sessions across both days explored the contributions and educational philosophies of leading figures such as Mahatma Gandhi, Swami Vivekananda, Pandit Deendayal Upadhyaya, Pandit Madan Mohan Malaviya, Sri Aurobindo, Dr. Syama Prasad Mookerjee, J. Krishnamurti, and Rabindranath Tagore. Speakers included senior faculty members and educationists from prestigious institutions such as the University of Delhi, North Bengal University, Central University of Haryana, Sardar Patel University, and BHU.

Thought-provoking discussions emphasized the intersection of spirituality, ethics, nationalism, and pedagogy in Indian thought, and how these can inform the transformative vision of NEP 2020.The seminar sessions were intellectually enriching, facilitating inter-institutional dialogue and encouraging deeper engagement with Indian knowledge systems.

The event concluded with a valedictory session that featured reflections by Dr. Anirban Ganguly, Chairperson of the Syama Prasad Mookerjee Research Foundation, and vote of thanks by Dr. Deepti Acharya. The seminar proved highly beneficial for students, researchers, and faculty alike, offering a renewed understanding of India's educational legacy and its critical role in shaping future educational paradigms.

Venue: Online
Total days: Not Applicable

Speaker: Not Applicable

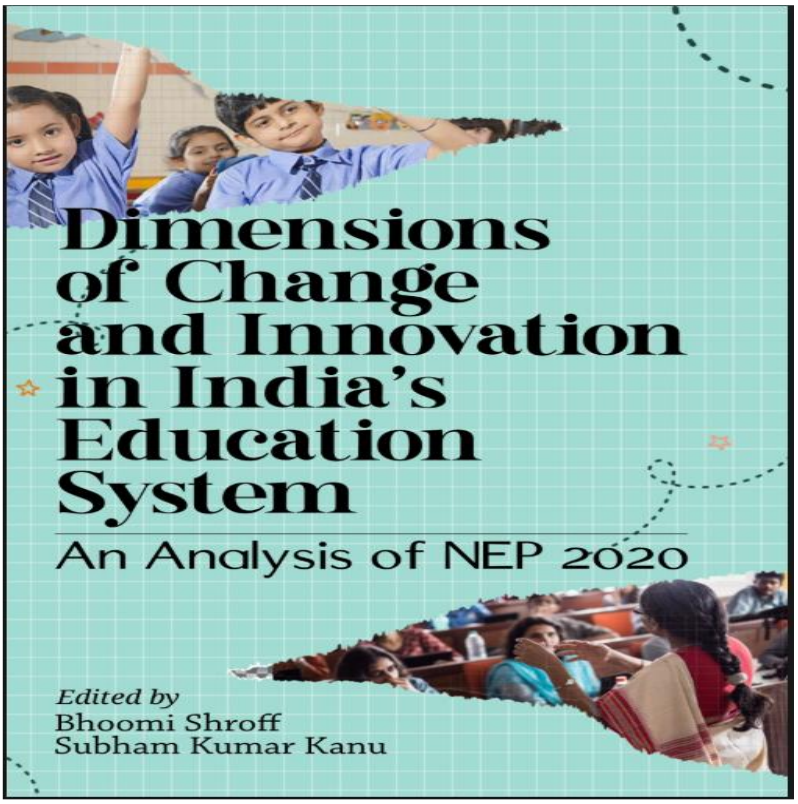
Time: Every Thursday and Friday from 5:30 PM to 7:30 PM, and Saturday from 2:00 PM to 4:00 PM

Event Summary: The Atal Bihari Vajpayee Institute of Policy Research and International Studies (AIPRIS), The Maharaja Sayajirao University of Baroda, launched an online short-duration certificate course titled "Sustainable Development Goals: The Indian Context" to introduce participants to India's unique approach and challenges in achieving the 17 Sustainable Development Goals (SDGs).

The course aimed to highlight how India, as an economy in transition with a population of 1.4 billion, must be understood through an indigenous lens while aligning with global sustainability frameworks. It provided an action-oriented framework focused on peace, prosperity, and sustainability, tailored to both developing and developed country contexts.

The program attracted a wide range of participants, including faculty members, graduate and doctoral students, development professionals, CSR practitioners, researchers, and policy enthusiasts. Delivered in an interactive online format, the course featured expert-led lectures, assignments, and presentations, with sessions scheduled thrice a week. Led by Prof. Amit Dholakia (Director) and Prof. Yogesh Vinayak Gokhale (Coordinator), the initiative successfully fostered interdisciplinary learning and encouraged dialogue on India's development priorities and sustainability strategies.

Activity 4: Dimensions of Change and Innovation in India's Education System: An Analysis of NEP 2020



Program Name: Book Publication

Program Type: Book Launch

Date: 27th February 2025

No. of Participants: Approx. 120

Objective: To provide an understanding of India's efforts and challenges in achieving the SDGs.

Venue: Conference Hall, Mahatma Gandhi Bhavan, CUG Campus, Kundhela

Total days: 01

Speaker: Not Applicable

Time: 11:00 AM (IST)

Event Summary: The Atal Bihari Vajpayee Institute of Policy Research and International Studies (AIPRIS), The Maharaja Sayajirao University of Baroda, has published the book titled "Dimensions of Change and Innovation in India's Education System: An Analysis of NEP 2020", edited by Ms. Bhoomi Shroff and Mr. Subham Kumar Kanu.

This book was formally released during the inaugural session of the National Seminar held on February 27-28, 2025, at the Conference Hall, Mahatma Gandhi Bhavan, Central University of Gujarat (CUG) Campus, Kundhela, Vadodara. The seminar, themed "Ideas of India's Eminent Educational Thinkers and Transformative Education through NEP 2020", was jointly organized by the School of International Studies, Central University of Gujarat, and AIPRIS, The Maharaja Sayajirao University of Baroda.

The event was graced by esteemed dignitaries, including Rajmata Shubhanginiraje Gaekwad, Honorable Chancellor of The Maharaja Sayajirao University of Baroda; Prof. Dhanesh Patel, Honorable In-Charge Vice Chancellor of The Maharaja Sayajirao University of Baroda; Prof. Rama Shanker Dubey, Honorable Vice Chancellor of Central University of Gujarat; and Shri Laxman Guntha, Social Thinker, among others.

This book is a compilation of project work undertaken by MA students as part of their academic curriculum. Each year, students are required to submit projects on a designated theme, and last year's theme focused on the National Education Policy (NEP) 2020. From the submitted projects, the most insightful and well-researched works were selected and compiled into this book.

The book offers a comprehensive analysis of various dimensions of NEP 2020, covering aspects such as legal analysis, budgetary considerations, the role of mother tongue in education, Anganwadi systems, a comparative study of the Indian and Chinese education systems, vocational education, and educators' perspectives. It examines the key challenges, implications, and transformative potential of the policy for India's education system.

The publication of this book represents a valuable academic contribution to ongoing discussions on education reform and policy implementation in India.

Venue: AIPRIS Building, MSU Baroda

Event Summary: Atal Bihari Vajpayee Institute of Policy Research and International Studies, The Maharaja Sayajirao University of Baroda organized 'The Internship Program and Certification' for the academic year 2024-25. The program saw active participation from students in both online and offline modes. The primary objectives of the internship were to enhance academic learning, provide exposure to interdisciplinary themes, develop analytical abilities, and foster professional skills among the participants.

The internship was structured around key deliverables such as the submission of research and project-based reports, presentations, and involvement in various organizational activities. Participants included students from prestigious institutions such as Monash University (Melbourne), Sardar Patel University, IIT Bangalore, and IIIT Delhi, contributing to the program's diverse and enriching academic environment.

The presentation of internship certificates marked the culmination of the internship program, commemorating the achievements of the graduating interns. The ceremony was graced by the presence of Prof. Amit Dholakia, whose insightful address deeply resonated with the audience. He shared words of wisdom and encouragement, offering valuable guidance to the interns as they prepared to embark on their professional journeys. His presence added great prestige to the event and served as a source of inspiration, motivating the interns to strive for excellence in their future endeavours.

During the ceremony, several interns shared their experiences and learnings, expressing heartfelt gratitude to the faculty members, mentors, and staff who supported them throughout their internship journey. The event was a celebration of achievement, growth, and collaboration within the AIPRIS community. As the interns received their certificates, they departed with a sense of pride and accomplishment. The ceremony stood as a testament to the institute's enduring commitment to nurturing talent and fostering excellence in the fields of research and policy studies.

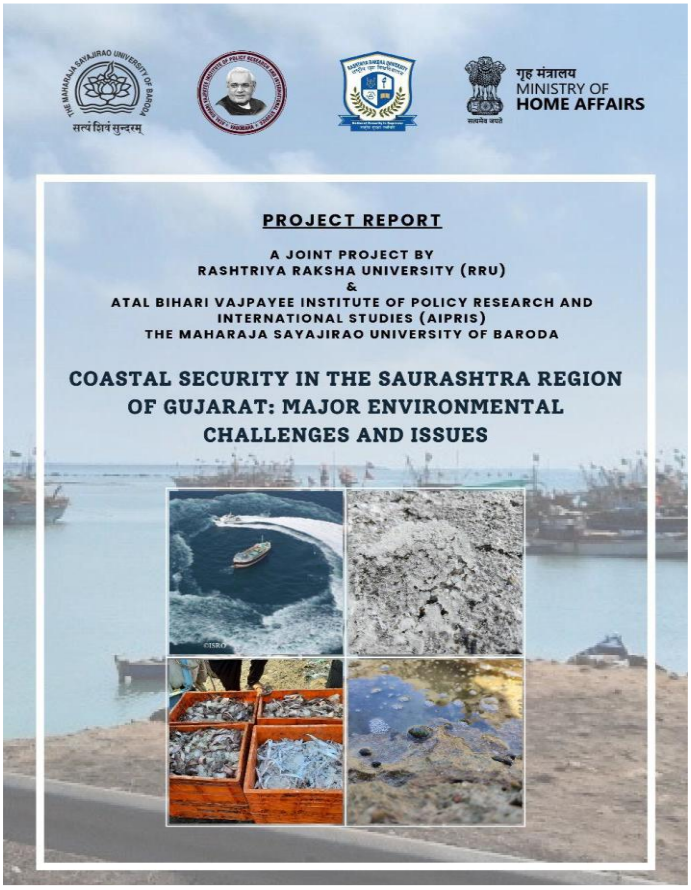
Activity 7: Completion of the Project 'Coastal Security in the Saurashtra Region of Gujarat: Major Environmental Challenges and Issues'



Project Name: Coastal Security in the Saurashtra Region of Gujarat: Major Environmental Challenges and Issues

Project Type: A Joint Project Between AIPRIS and Rashtriya Raksha University

Date of Final Report Submission: 31st March 2023

No. of Participants: Not Applicable

Objective: To address various dimensions of the coastal ecosystem and their implications for security dynamics in the selected region of the study.

Project Summary: The project titled "Coastal Security in the Saurashtra Region of Gujarat: Major Environmental Challenges and Issues", a joint project between Atal Bihari Vajpayee Institute of Policy Research and International Studies (AIPRIS) MSU Baroda and Rashtriya Raksha University (RRU), Gandhinagar, was a comprehensive and the first of its kind study and analysis conducted to understand the complex interplay between coastal security and environmental sustainability in the Saurashtra region of Gujarat.

The project provided data-driven analysis, actionable policy recommendations, and capacity-building efforts. The project aimed to contribute to the development of sustainable and resilient coastal communities while enhancing security along the Saurashtra coastline.

A significant aspect of the project involved collecting and analysing data on environmental issues prevalent along the Saurashtra coast. This process encompassed gathering information on diverse environmental factors, including pollution, habitat degradation, climate change, and the impacts of natural disasters. Through rigorous analysis, the project sought to identify key environmental challenges affecting coastal security.

The project undertook a comprehensive analysis to examine the intricate relationship between environmental challenges and both conventional and non-conventional security threats. By exploring how environmental degradation exacerbates security risks such as illegal fishing, maritime piracy, and conflicts over resources, the project provided valuable insights into the complex nexus between environment and security.

Drawing upon the findings of the analysis, the project offered policy-relevant and actionable recommendations aimed at minimizing the impact of environmental challenges on coastal security. These recommendations included measures to enhance coastal surveillance, strengthen environmental regulations, promote sustainable practices, and facilitate collaboration among relevant stakeholders. The objective was to develop effective strategies for mitigating environmental risks and safeguarding coastal security interests on the Saurashtra coast.

Recognizing the importance of stakeholder engagement, the project emphasized sensitization, awareness, and capacity-building initiatives targeting various stakeholders. These efforts aimed to educate and empower coastal communities, government agencies, policymakers, and other key actors to address major environmental issues and security concerns effectively. Through workshops, training programs, and awareness campaigns, the project focused to raise a greater understanding of the interdependence between environmental sustainability and coastal security.

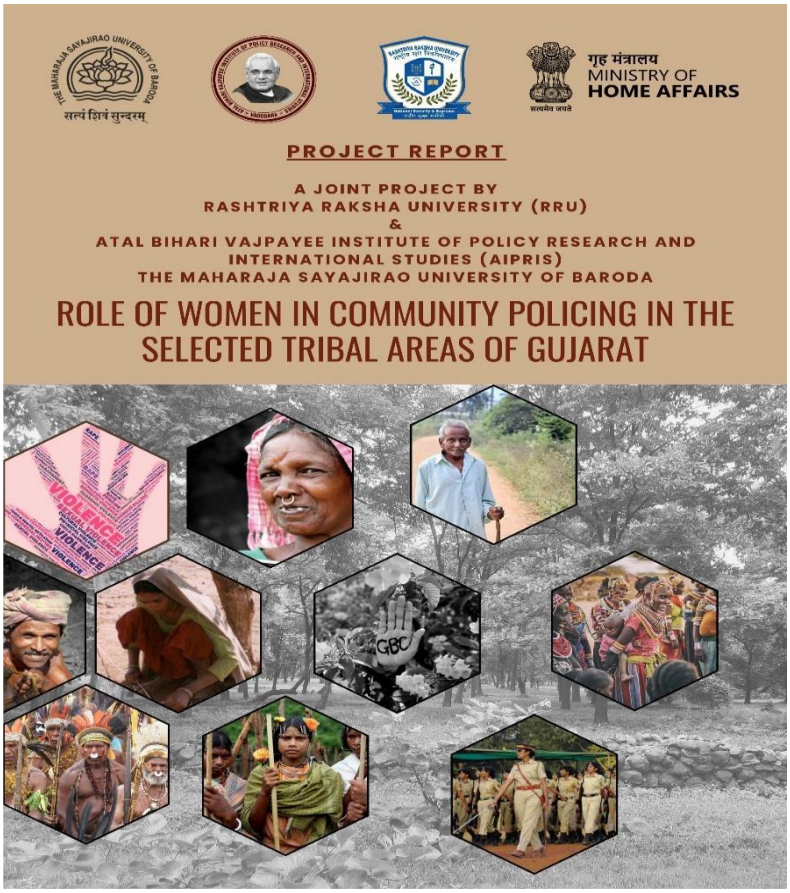
Activity 8: Completion of the Project 'Role of Women in Community Policing in the Selected Tribal Areas of Gujarat'



Project Name: Role of Women in Community Policing in the Selected Tribal Areas of Gujarat

Project Type: A Joint Project between AIPRIS and Rashtriya Raksha University

Date of Final Report Submission: 31st March 2023

No. of Participants: Not Applicable

Objective: To empower Women, enhance community policing strategies, and create a safer ad more inclusive environment for all members of tribal communities.

Project Summary: The project titled "Role of Women in Community Policing in the Selected Tribal Areas of Gujarat", a joint project between Atal Bihari Vajpayee Institute of Policy Research and International Studies (AIPRIS) MSU Baroda and Rashtriya Raksha

Meeting and discussion at Sakhi One Stop Centre

University Gandhinagar (RRU), was a comprehensive and the first of its kind study which aimed at addressing gender-based crimes within tribal communities with actionable policy recommendations.

With a multi-faceted approach, the project attempted to make both qualitative and quantitative analyses of the nature, types, and degree of gender-based crimes prevalent in the tribal areas of Gujarat. It sought to document existing community policing strategies in these regions, evaluating their effectiveness in tackling gender-based crimes.

The project further aimed to recommend new and improved community policing strategies tailored specifically to address gender-based crimes in tribal areas. It examined the roles and responsibilities of women working in the police force and proposed recommendations for enhancing their contributions in combating such crimes. This included suggesting new sets of roles or revised responsibilities to empower women within law enforcement agencies effectively.

The project sought to make suitable recommendations for the relevant stakeholders such as NGOs, self-help groups of women, state police force, community-based organizations, and educational institutions to actively engage in reducing gender-based crimes through community policing initiatives. By proposing collaboration between law enforcement and community stakeholders, the project attempted to create a more robust framework for addressing gender-based crimes in tribal areas.

The project aimed to conduct policy-relevant analyses and provide actionable recommendations aimed at increasing the role of women in community policing while effectively reducing gender-based crimes in Gujarat's tribal areas. By addressing systemic challenges and gender inclusivity within law enforcement and community engagement efforts, the project sought to contribute to lasting social change and improved safety and security for tribal communities.

Admissions to academic year 2024-25 were conducted successfully under the aegis of GCAS (Gujarat Common Admission System) for the first time. Due to the seamless coordination between University and Faculty colleagues it was successfully completed. CMB admitted 45 students. **Two students** who have qualified for **INSPIRE** scholarship have joined the program.

Dr. Mayur Sahani motivated the students to conduct tree plantation during the monsoon season. Saplings of trees which would grow to give good foliage were planted around our building and on campus.

September 28th 2024 was celebrated as foundation day. Prof. Ramesh Goyal was invited as chief guest. He delivered a thought-provoking talk on '**Journey of Molecular Biology Research: From Next-Gen Sequencing to Next-Gen Therapeutics'.** He told the students of the great future that biological science holds and how it can be commercialized. He also dwelled on the government policies that are available to boost 'business in biology'. Various competitions were held for the students and prizes were given away to the winners by Prof. Ramesh Goyal.

Science students of Class XI from St. Kabir Indian International School visited CMB on 8th August 2024. They were shown the high end instrument facility and were informed of the courses offered on our campus.

Two workshops were held under the DBT BUILDER CAT III program on FACS and Super resolution microscopy (31/7 to 3/8/2024). Research scholars of Science faculty and a few MSc students benefited from it.

Students of CMB actively participated in the 'Open House' organized by science faculty on Feb 28th 2025. CMB pavilion was called CMB Minions. There was heavy footfall of school students to the stalls put up by the students.

As a result of the crash course conducted by the faculty of science the students of CMB did very well at the GAT B and CSIR NET examination. Of the students who passed out in 2024; Felix Christian cleared CSIR NET with a good rank and has joined NCCS Pune for PhD; Meera Kharve joined Yale University USA as a RA; Naisargee Jain joined NIH, USA as a scientist, Henny Shah and Ayesha Shaikh joined Sun Pharma; 3 students joined Borek solutions. Himani Dave has joined Dr Frank Schnorrer and Dr Alphee Michelot for a collaborative PhD, 50-50 in France and Singapore. The project is to investigate the biochemical differences between muscle and non-muscle actions and the functional relevance of expressing these 2 actions consecutively for flight muscle development in drosophila.

The PhD students of CMB also bring laurels to our University. Ms. Helly Shah stood. Third prize in the prestigious Prof. N. J. Chinoy Best Oral Presentation award at ICRSMM-2024 conference, Delhi University and got the ASBMB 2025 Graduate Student or Post-Doctoral

Researcher Award. Rhydham Karnik receiced ICMR International Travel Grant for presenting a paper at the Biochemistry and Molecular Biology Conference in USA.

Statement showing Student-Teachers Ratio for the Last Five Years

The staff and students ratio is calculated on the basis of students enrolled divided by the number of Teachers (excluding Faculty of Medicine). The table below shows the staff student ratio for the last five years.

Year	No. of University Teachers	Students Enrolment	Staff-Student ratio
2020-2021	1,167	49,843	1:42.71
2021-2022	1,121	53,567	1:47.78
2022-2023	1,180	54,788	1:46.43
2023-2024	1,159	47,861	1:41.29
2024-2025	1,153	41,843	1:36.29

Financial Assistance sanctioned to Teachers for Participation in Conferences and Seminars etc. Within India during the yer 2024-2025

Sr. No.	Name/ Department	Designation	Name of Conference etc. attended withdates/duration
		Faculty of Science	
1	Dr. Hemant Soni, Chemistry	Associate Professor	For oral presentation on "Benzylic Csp3-H bond Oxidation through Facet Selective Catalysis: a Path towards the Green Oxidation Processes" at International Symposium on Frontiers in Sustainable Catalysis and Organometallics (FISCO-24) held at The Malaviya National Institute of Technology Jaipur, Jaipur during 11-12 July 2024
2	Dr. Vinay Kumar Singh, Chemistry	Associate Professor	For oral presentation on "Emerging Ferrocene Derivatives as Potential Anticancer Agents" at International Symposium on Frontiers in Sustainable Catalysis and Organometallics (FISCO-24) held at The Malaviya National Institute of Technology Jaipur, Jaipur during 11-12 July 2024
3	Mr. Jagrut Barot, Chemistry	Research Scholar	For poster presentation on "Polymer supported L-proline Catalyzed Continuous Flow Processes: Developing a Sustainable Methodology for Asymmetric Aldol Reaction at International Symposium on Frontiers in Sustainable Catalysis and Organometallics (FISCO-24) held at The Malaviya National Institute of Technology Jaipur, Jaipur during 11-12 July 2024
4	Ms. Umme Kulsum Mondal, Chemistry	Research Scholar	For poster presentation on "Development of the Enzymatic Process for the Valorization of Water Soluble Carboxylic Acids and Alcohols into Esters from the Industrial wastes" at International Symposium on Frontiers in Sustainable Catalysis and Organometallics (FISCO-24) held at The Malaviya National Institute of Technology Jaipur, Jaipur during 11-12 July 2024
5	Mr. Rudresh J. Shah, Chemistry	Research Scholar	For poster presentation on "Peptide directed Asymmetric Aldol Reactions in water at Room Temperature" at International Symposium on Frontiers in Sustainable Catalysis and Organometallics (FISCO-24) held at The Malaviya National Institute of Technology Jaipur, Jaipur during 11-12 July 2024
6	Mr. SudhirKumar S. Katariya, Chemistry	Research Scholar	For poster presentation on "Synthesis of L-hydroxy proline ester derivative with unsaturated long-chain Fatty Acid and its application on One-pot direct three-component Asymmetric Mannich Reaction in water" at International Symposium on Frontiers in Sustainable Catalysis and Organometallics (FISCO-24) held at The Malaviya National Institute of Technology Jaipur, Jaipur during 11-12 July 2024

Sr. No.	Name/ Department	Designation	Name of Conference etc. attended withdates/duration
7	Mr. Aniket Abasaheb Deshmukh, Chemistry	Research Scholar	For poster presentation on "Organosulfur compounds and their derivatives synthesis characterization and ligand-protein binding study" at International Symposium on Frontiers in Sustainable Catalysis and Organometallics (FISCO-24) held at The Malaviya National Institute of Technology Jaipur, Jaipur during 11-12 July 2024
8	Mr. Naman Shah, Chemistry	Research Scholar	For poster presentation " Light-Guided Therapeutics: Controlled Release of Bioactive Molecules from Ruthenium Polypyridyl Complexes" at 10th International Symposium on Material Chemistry (ISMC 2024) held at Bhabha Atomic Research Centre, Trombay, Mumbai during 4-7 December 2024
9	Mr. VivekKumar Bhanderi, Chemistry	Research Scholar	For poster presentation "Synthesis of new ester based cyano stilbene liquid crystalline compounds and study of their mesomorphic behavior" at 10th International Symposium on Material Chemistry (ISMC 2024) held at Bhabha Atomic Research Centre, Trombay, Mumbai during 4-7 December 2024
10	Mr. Jay Patel, Chemistry	Research Scholar	For poster presentation "6 Amino-coumarin and barbituric acid hybrid as Non-linear optical property" at 10th International Symposium on Material Chemistry (ISMC 2024) held at Bhabha Atomic Research Centre, Trombay, Mumbai during 4-7 December 2024
11	Mr. Miraj Patel, Chemistry	Research Scholar	For poster presentation "Bacterial, anti-biofilm and anti-oxidant potency of silver nanoparticles embedded into functionalised chitosan gel" at 10th International Symposium on Material Chemistry (ISMC 2024) held at Bhabha Atomic Research Centre, Trombay, Mumbai during 4-7 December 2024
12	Ms. Twara Kikani, Chemistry	Research Scholar	For poster presentatio "On-demand removable based self-healing and antibacterial hydrogel for delivery of Tetracycline and Curcumin as potenial wound dressing material" at 10th International Symposium on Material Chemistry (ISMC 2024) held at Bhabha Atomic Research Centre, Trombay, Mumbai during 4-7 December 2024
13	Ms. Shradhanjali Samal Chemistry	Research Scholar	For poster presentatio "Tailoring Copper Nanocomposite as Efficient Peroxidase Mimic for Colorimetric Glucose Sensing" at 10th International Symposium on Material Chemistry (ISMC 2024) held at Bhabha Atomic Research Centre, Trombay, Mumbai during 4-7 December 2024

Sr. No.	Name/ Department	Designation	Name of Conference etc. attended withdates/duration
14	Ms. Purva Kachhi, Chemistry	Research Scholar	For oral Presentation on " Adsorptive Removal of Pb(II) ions fromAqueous Media using 4-Acylpyrazolone intercalated organophilic calcined hydrotalcite" and for poster presentation on "Facile synthesis of functinalized TEOS-Acylpyrazolone hybrid for removal of targeted heay metal ions" An Experimental and DFT Study" at XXXXIII Annual National Conference held at PES's Modern College of Arts and Commerce, Ganeshkhind, Pune & PGKM's Hari bhai V. Desai College of Arts, Science and Commerce Pune during 26-28 December 2024
15	Mr. Vijay K Joshi, Chemistry	Research Scholar	For poster presentation on "Self-assemblies of Molecularly Flexible Salicylaldimine Bis Esters: Mesomorphic behaviour, photophysical and DFT studies" at 31st National Conference on Liquid Crystals(NCLC-2024) HELD AT Navyug Science College, Surat during 20-22 December 2024
16	Ms. Mahima Rabari, Chemistry	Research Scholar	For poster presentation on "Cholesterol and Naphthalene-based unsymmetricalliquid crystalline dimers: synthesis characterization, mesomorphic behaviour, DFT studies and Potochoromic behaviour" at 31st National Conference on Liquid Crystals(NCLC-2024) held at Navyug Science College, Surat during 20-22 December 2024
17	Ms. Bhoomi Prajapati, Biochemistry	Research Scholar	For poster presentation on "Impact of Quadruple UbEP42 and It's Segregated Ubiquitin Mutants on Morphology and Cytokine Response in Vaginal Candidiasis at Indian Immunology Society & Indian Institute of Science held at J. N. Tata Auditorium, IISC, Bengaluru during 17-20 October 2024
18	Prof. Prafulla K. Jha, Physics	Professor	For invited talk on "Hydrogen storage in functionalised carbon systems-ADFT Study" at the International School and Conference on the evolution of electronic structure theory and experimental reliazation held at SRM and IIT Madras, Chennai during 3-11 January 2025
19	Dr. P. H. Soni Physics	Associate Professor	For poster presentation on Hydrothermal Route Assisted Synthesis of TI Doped Bi2Se3 Chalcogenides Nanoparticles at International Union of Materials Research Society International conference in Asia 2024(IUMRS-ICA 2024) held at UCC Auditorium of DAVV,Indore during 3-6 December 2024
20	Chaudhary Hiteshbhai Kalabhai, Physics	Research Scholar	For poster presentation on Strucutral and optical properties of Bi1.96TI0.04Se3 Nanoparticles for optoelectronic Devices Application at 3rd International Conference on Funcational Material and Applied Physics (FMAP-2024) held at Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat during 18-19 October 2024

Sr. No.	Name/ Department	Designation	Name of Conference etc. attended withdates/duration
21	Dr. Bhasker Soni, Physics	Temp. Assistant Professor	For poster presentation on "Synthesis and Characterization of Surface modified Metal/Metal Oxide (Ni/NiO) core shell nanoparticles" at 2nd International Conference on Recent Trends in Applied Physics & Material Science (RAM 2024) held at Bikaner Technical University, Bikaner during 15-16 November 2024
22	Mr. Deepak Upadhyay, Physics	Temporary Assistant Professor	For poster presentation "Polymorph exploration of niobium oxynitride using first-principles calculations" at at the International School and Conference on the evolution of electronic structure theory and experimental reliazation held at SRM and IIT Madras, Chennai during 3-11 January 2025
23	Dr. Nikita Patel, Physics	Temporary Assistant Professor	For poster presentation on "Biocompatible Spacer-Gemini Surfactat Mediated Synthesis of PbS Nanoparticles: Aqueous Soft Template Approach with Antioxidant and Antimicrobial activities" at 2nd International Conference on Recent Trends in Applied Physics & Material Science held at Bikaner Technical University and Condensed Matter Research Society, Bikaner, Rajasthan during 15-16 November 2024
24	Dr. Chandni Menapara, Physics	Temporary Assistant Professor	For poster presentation on "Strong Decay of Light Baryons" at xxxi DAE-BRNS High Energy Physics Symposium 2024 held at Banaras Hindi University, Varanasi during 19-23 December 2024
25	Ms. Riddhi Sainda, Physics	Temporary Assistant Professor	For poster presentation on "water desalination using graphyne membrane : MD simulation approach" at 68th DAE Solid State Physics Symposium held at Bhabha Atomic Research Centre, Mumbai during 18-22 December 2024
26	Ms. Apeksha Gauswami, Physics	Temporary Assistant Professor	For poster presentation on "First-Principles Investigation of FesB2 as a novel altermagnetic material" at 68th DAE Solid State Physics Symposium held at Bhabha Atomic Research Centre, Mumbai during 18-22 December 2024
27	Mr. Paras R. Patel, Physics	Temporary Assistant Professor	For poster presentation on "Strucural Phase Transition in Yurium: Comparison of Exchange-correlation functionals" at 68th DAE Solid State Physics Symposium held at Bhabha Atomic Research Centre, Mumbai during 18-22 December 2024
28	Ms. Heli Mistry, Physics	Temporary Assistant Professor	For poster presentation on "Adsorption Mechenism of NI Decorated α-CN Monolayer towards CO, NO, and NH3 Gases: insights from DFT Studies at 35th Annual General Meeting of the Materia: Research Society of India (MRSI) and 6th Indian Materials Conclave held at UCC Auditorium DAVV, Indore during 3-6 December 2024

Sr. No.	Name/ Department	Designation	Name of Conference etc. attended withdates/duration
29	Ms. Dhruti A. Bhagora Physics	Research Scholar	For poster presentation on "Structural, Optical and Transport properties of CZTS Semiconductor Nanoparticles Synthesized Via Hydrothermal Route at 2nd International Conference on Recent Trends in Applied Physics & Material Science (RAM 2024) held at Bikaner Technical University, Bikaner during 15-16 November 2024
30	Mr. Bhautik Rameshbhai Dhori, Physics	Research Scholar	For poster presentation "topological signatures of triply degenerate nodal point fermions in TbPtBi Heusler Alloy" at at the International School and Conference on the evolution of electronic structure theory and experimental reliazation held at SRM and IIT Madras, Chennai during 3-11 January 2025
31	Ms. Ponkiya Zarnaben Dileepbhai, Physics	Research Scholar	For poster presentation "Machine Learning force Field-Accelerated prediction of Lattice Thermal Conductivity in Strained WS2, monolayer" at at the International School and Conference on the evolution of electronic structure theory and experimental reliazation held at SRM and IIT Madras, Chennai during 3-11 January 2025
32	Ms. Heera T. Nair Physics	Research Scholar	For poster presentation "V-decorated Graphdiyne for Efficient Hydrogen Storage-Insights from DFT" at at the International School and Conference on the evolution of electronic structure theory and experimental reliazation held at SRM and IIT Madras, Chennai during 3-11 January 2025
33	Ms. Tukadiya Namrataben Arjan, Physics	Research Scholar	For poster presentation on "Desgin and Performance of novel perovskite solar cell: FTO/SnS2/RBgEbR3/Au Configuration explored via DFT, ML and SCAPS-ID Studies" at 68th DAE Solid State physics Symposium 2024 held at Bhabha Atomic Research Centre, Anushaktinagar, Mumbai, during 18-22 December 2024
34	Mr. Saurav Patel, Physics	Research Scholar	For poster presentation on "Interwined Rashba effect and non-trivial topology in group-I-IV-V based Non-cetrosymmetric compounds" at 68th DAE Solid State physics Symposium 2024 held at Bhabha Atomic Research Centre, Anushaktinagar, Mumbai, during 18-22 December 2024
35	Dr. K. Muralidharan, Statistics	Professor	For oral presentation on " A deep learning approach to detecting change points in the presence of Inliers and outliers" at XXVII Annual International conference organized by Society of Statistics, Computer and applications held at Department of Statistics, North-Eastern HIll University, Shilong, Meghalaya during 21-23 February 2025
36	Mr. Shrey Pandya, Statistics	Temporary Assistant Professor	Attend workshop on SAR Data Analysis for the assessment of the vegetation conditions organized by Institute of Environment and Sustainable Developemnt, BHU, Banaras, Uttar Pradesh during 7-8 February 2025

Sr. No.	Name/ Department	Designation	Name of Conference etc. attended withdates/duration
37	Dr. Vinay M. Raole, Botany	Professor	For oral presentation "Digital Morphometrics and Its application in Species Differentiations: A case study in some species of Argyreia Lour" at XXXIV Annual Conference of Indian Assosication for Angiosperm Taxonomy and International seminar on Botanical Symphony-Perspectives and current challenges in Angiosperm Systematcs held at Department of LIfe Science and Bioinformatics Assam University, Silchar, Assam during 23-25 November 2024
38	Dr. Darshini Trivedi, Botany	Temporary Assistant Professor	For poster presentation on "Micropropagation of important Bignoniaceae member-A Review" at 46th Annual Meeting of Plant Tissue Culture Association on current trends and challenges in plant Biotechnology organized by Department of Biological Sciences, BITS Pilani, KK Birla Goa Campus, Goa during 24-26 February 2025
39	Ms. Anjali Trivedi, Botany	Research Scholar	For Poster presentation on "Elicitation of Lupeool in Callus Cultures of Uraria Picta and its Quantification using HPTLC" at 46th Annual Meeting of Plant Tissue Culture Association on current trends and challenges in plant Biotechnology organized by Department of Biological Sciences, BITS Pilani, KK Birla Goa Campus, Goa during 24-26 February 2025
40	Ms. Shivani Bhati, Botany	Research Scholar	For Poster presentation on "A Phytochemical Investigation on Commiphora stocksiana (Engl.) Engl. and its in vitro Cultures using HRLC-MS-QTOF and HPLC: Establishing the plant as a potent source for valuable metabolites" at 46th Annual Meeting of Plant Tissue Culture Association on current trends and challenges in plant Biotechnology organized by Department of Biological Sciences, BITS Pilani, KK Birla Goa Campus, Goa during 24-26 February 2025
Faculty of Arts			
1	Dr. Harshal Bhatt, Sanskrit, Pali & Prakrit	Temp. Assistant Professor	For poster presentation on "Vatavyadhini lana (dignosis of diseases caused by wind) based on Nepalese version of susrutasamhita" at 51st All India Oriental Conference held at Udupi, Karnataka during 24-26 October 2024
2	Mr. Vandan Nilay Gor, History	Research Scholar	For oral presentation on "on the Trail of Nilkanth: Ascetical Interactions in Political and Liminal spaces of 18th Century South Asia, c.1792-99 C.E. AT Interactions ad intersections: Norms, Narratives and Practices in the Medieval and Early-Moden World organized by The Centre for Historical Studies, Jawaharlal Nehru University, New Delhi during 5-7 March 2025
3	Mr. Neeraj Singh Manhas, Political Science	Research Scholar	For oral presentation on "Assessing Tibet's Cllimate Change Impact on Waer Security: A 30-Year Review at 6th Young Indian Research Scholars' Conference held at the College for Higher Tibetan Studies, Tibet Policy Institute, Sarah, Dharamshala during 17-18 October 2024

Sr. No.	Name/ Department	Designation	Name of Conference etc. attended withdates/duration
Faculty of Tech. & Engg.			
1	Dr. Yashesh Gandhi, App. Phy.	Associate Professor	For invited talk on "Thermal and Optical Sensitization of 210 oC and 375 o C TL Glow Peaks in Synthesis Quartz under Different mode of Optical Stimulation Using Single Wavelength" at National Conference on Luminescene and its Applications 2024 held at Department of Physics, North-Eastern HIll University, Shillong, Meghalaya, India during 28-30 August 2024
2	Dr. Suvarna Shah, Civil Engg.	Associate Professor	For oral presentation on 1. "Climate Change Induced Flood inundation Mapping Using H & H Models for Kalubhandar River Basin 2. Determining Water Surface Elevation (WSE) OF Vishwamitri River for Chronic bridges of Vadodara City using HEC-RAS at 4th International Conference on Advances in Water Treatment and Management (ICAWTM-25) held at Pandit Deendayal Energy University, Gandhinagar during 1-2 March 2025
3	Dr. Hireni Mankodi, Text. Engg.	Associate Professor	For oral presentation on "Hybrid Basalt Composite for Radome Application" at International Conference and Exhibition on Reinforced Plastics held at Bombay Exhibiton Centre, N.S.E. Complex, Goregaon, Mumbai during 21-23 January 2025
4	Dr. Abhipsa R. Makwana, Civil Engg.	Assistant Professor	For oral presentation on 1. "Electrooxidation of real metal plating wastewater 2. Changes to compostable plastics during their composting with kitchen wastes 3. Machine Learning application in Environmental Noise Monitoring: A review" at International Conference on Environmental Science and Technology (ICEST-2024) held at Department of Civil Engineering of Sardar Vallabhbhai Patel National Institute of Technology, Surat during 19-21 December 2024
5	Dr. N. D. Chavda, App. Physics	Assistant Professor	For oral/poster presentation on "Structure of wavefunctions of interacting many-particle quantum systems with one-plus k-body random interactions at Conference on Nonlinear Systems & Dynamics(CNSD 2025), held at Bharathidasan University, Tiruchirappalli, Tamil Nadu during 10-13 March 2025
6	Mr. Dhaval Solanki, Mech. Engg.	Temporary Assistant Professor	For oral presentation on "Ground effect on circular Cylinder in Potential flow" at 11th International and 51st National Conference on Fluid Mechanics and Fluid Power held at Aligarh Muslim University, AMU, Aligarh during 21-23 December 2024
7	Dr. Anilkumar Vajubhai Gorasiya, Mech. Engg.
