From the Desk of the Principal

Polytechnic, The Maharaja Sayajirao University of Baroda

Greetings,

Polytechnic stands as a beacon of technical education, dedicated to fostering innovation, skill development, and academic excellence. Since its inception, Polytechnic has been committed to providing a robust educational foundation that equips students with the practical skills and theoretical knowledge required to excel in the ever-evolving fields of engineering and technology. Our curriculum is meticulously designed to bridge the gap between academia and industry, ensuring that our graduates are well-prepared to meet the challenges of the modern workforce.

At the Polytechnic, we emphasize a holistic approach to education. Our faculty comprises distinguished educators and industry experts who are dedicated to nurturing the intellectual and professional growth of our students. Through a blend of classroom instruction, hands-on training, and real-world projects, we strive to create an environment that encourages creativity, critical thinking, and problem-solving.

We are proud of our state-of-the-art facilities, which include advanced laboratories, workshops and library. These resources provide our students with the tools they need to experiment, innovate, and bring their ideas to life. Additionally, our strong industry partnerships enable us to offer internships, apprenticeships, and placement opportunities, thereby enhancing the employability of our graduates.

As we continue to evolve and expand our horizons, we remain persistent in our mission to cultivate a culture of excellence and inclusivity. We are committed to providing an education that not only meets the highest academic standards but also instils values of integrity, responsibility, and ethical conduct.

Together, let us continue to strive for excellence and make a positive impact on society.

Prof. (Dr.) Dhanesh Patel

Offg. Principal
