The following sports facilities (Clay courts and fields) were established at the time of formation of the university when the department was established: two basketball courts, two cricket fields, a football field, a hockey field, two Kabaddi courts, two Kho-Kho courts, two tennis courts and two volleyball courts besides a badminton court with a wooden floor and a table tennis hall. Swimming pool was established at a later date. A standard Athletics track was created from RUSA Grant in 2010. Synthetic fields were established in 2011. With funding from RUSA Grant the following synthetic play areas were created: two basketball courts, two tennis courts and two volleyball courts. Walking track was established in 2012. Also, the play fields were separated and fenced the same year (Basketball, Volleyball, Tennis, Hockey and Kabaddi). University Multi - gymnasiums (Indoor and outdoor - funded by UGC and maintained by University) and a Multi-purpose Indoor hall – a joint venture of University and Sports Authority of Gujarat (Maintained by University and part funded by Government of Gujarat) were established in 2019.

The play areas and facilities are regularly used by limited number of students that range from 3000 to 5000 students only. The numbers go up prior to and during various competitions like “Intra-faculty, Inter-Faculty, Khel-Mahakumbh, Government, Association, league and Open” tournaments at Local, District, State and National level – depending on the tournament.
