FACULTY OF SCIENCE

THE MAHARAJA SAYAJIRAO UNIVERSITY OF BARODA

VADODARA, GUJARAT, INDIA 390 002

HIS HIGHNESS MAHARAJA SAYAJIRAO GAEKWAD-III

VISION AND MISSION AS PERCEIVED BY H. H. MAHARAJA SAYAJIRAO GAEKWAD-III

"The progress of a nation requires that its people should be educated. Knowledge is a necessity of man. It instills in him a desire to question and to investigate, which leads him on the path of progress. Education, in the broadest sense, must be spread everywhere. Progress can only be achieved by the spread of education. Cooperation is necessary to achieve any worthy end and this readiness to cooperate will not be found in people if they are not educated"

FACULTY OF SCIENCE

India's internationally renowned **The Maharaja Sayajirao University of Baroda** (Accredited Grade "A+" by NAAC) has blossomed from the Baroda College which is one of the oldest centers of learning in western India. The Maharaja Sayajirao University of Baroda is the only state university with a residential, unitary character having English as sole medium of instruction. Faculty of Science is a constituent institution of The Maharaja Sayajirao University of Baroda under its direct management and control. Faculty began as an integral part of Baroda College which was founded by His Highness Sir Sayajirao Gaekwad of Baroda in the year 1881. He also started the Sayaji Jubilee Institute in 1933 and housed all science subjects under it.

The efforts of establishing a Residential University at Baroda was initiated by Maharaja Sayajirao in 1908, and it became a reality during the rule of His Highness Pratapsinhrao Gaekwad. The Maharaja Sayajirao University of Baroda came into existence on 30th April 1949. Through the constitution of the University, all the science departments were reconstituted as Faculty of Science. The Faculty of Science steadily made significant strides in various disciplines of science and attracted students from all over India and from other countries. It soon developed into a cosmopolitan center of education. The growth of the faculty thus amply complimented the pioneering efforts of the great visionary, Maharaja Sayajirao Gaekwad, who had taken great pains to improve science education.

ABOUT DEPARTMENT OF ZOOLOGY

The department of Zoology has an impeccable history with eminent faculty who were stalwarts in classical zoology. The syllabus, teaching methods and research approaches to date, have always been crafted with utmost care to be at par with the peer educational fraternity. The present day curriculum is a fine balance of Classical zoology, Applied biology and field oriented studies.

Indulging oneself in learnings at our department shall definitely be a purposeful experience. Awards through the funding agencies, include DRS in 1982 and later continued as DSA from 1992-2003. Further recognition of research activities resulted into funding through COSIST and FIST Programs.

Department also received Infrastructure development grant under UGC-BSR scheme. Various funding agencies like UGC, ICMR, ICAR, DST-SERB, DBT, MoES, GSBTM, GBB etc. has provided funds for several research projects. The Department puts together all of its expertise and resources to always deliver the best to its students
