## Tactical Urbanism - a new Jugaad ?

Tactical Urbanism is a process that involves citizens to provide interventions that are low cost, short term, temporary, and easy to build.

**A R. MILIND MISTRY**

Studio HbyM

Ar. Milind Mistry has done his Post-graduation in Urban Design. Presently, he is a visiting faculty at CEPT University, Ahmedabad.

He is also a co-founder at the firm 'Studio HbyM' based in Vadodara. The firm works on various master planning & site development projects, residences as well as interior designing work.

He has a keen interest in exploring and understanding various urban settlements and life of people around them.
