BUILD A FOUNDATION WITH A STRONG BELIEF

There is a common belief that "leaders are born, not made". The belief was broken when a 15 year village boy 'Gopal' became world famous ruler, as H. H. Sir Sayajirao Gaekwad III - The Maharaja of Baroda, after extensive training.

We strongly believe that "leaders are made, not born". Few examples of people who align with our thinking our freedom fighter Vinayak Savarkar and Dr. Babasaheb Ambedkar. Freedom fighter Vinayak Savarkar started training programs for fellow revolutionaries & Dr. Baba Saheb Ambedkar also started "School for entrance to politics".
