Shrimant Maharaja Sayajirao Gaekwad-III

Vision of The Maharaja Sayajirao University of Baroda:

“The progress of a nation requires that its people should be educated. Knowledge is a necessity of man. It instils in him a desire to question and to investigate, which leads him on the path of progress. Education, in the broadest sense, must be spread everywhere. Progress can only be achieved by the spread of education. Cooperation is necessary to achieve any worthy end and this readiness to cooperate will not be found in people if they are not educated.”

MESSAGE FROM THE DESK OF VICE CHANCELLOR

Dear Future Innovators,

Welcome to the Institute of Fashion Technology, Faculty of Family and Community Sciences!

Since its establishment in 2013, the Institute of Fashion Technology has grown into a dynamic center of excellence, constantly evolving to keep pace with the ever-changing fashion industry. What began as a modest initiative has transformed into a leading institution, shaping creative minds and setting new benchmarks in fashion education.

Our commitment to innovation and industry relevance drives us to continuously refine our curriculum, ensuring a perfect blend of creativity, technology, and business acumen. We take pride in offering three specialized undergraduate programs and a postgraduate diploma, each designed to provide in-depth knowledge and hands-on experience in design, technology, communication, retailing, and merchandising. To bridge the gap between academics and industry, we also offer valuable paid internships, enabling students to gain practical exposure and real-world insights.

With the implementation of the **New Education Policy (NEP) 2020**, our programs now embrace a more flexible, interdisciplinary, and holistic approach to learning. This forward-thinking model nurtures critical thinking, problem-solving, and innovation-essential qualities for future leaders in the fashion industry.

As you step into this transformative journey, you will find endless opportunities to explore, create, and redefine fashion. Beyond technical expertise, we encourage you to develop a vision that contributes to sustainable practices, social impact, and national progress. Your time here is not just about mastering skills, it's about shaping the future of fashion and making a meaningful difference.

We are excited to be part of your journey and look forward to witnessing your growth as visionary professionals contributing to **Viksit Bharat-The New India**.

Wishing you success, creativity, and a fulfilling learning experience!

Date : July 14th, 2026

Prof.(Dr) Bhalchandra Bhanage

MESSAGE FROM THE DIRECTOR

Dear Students,

It is my great pleasure to welcome you to the Institute of Fashion Technology, Faculty of Family and Community Sciences at The Maharaja Sayajirao University of Baroda!

Institute of Fashion Technology caters to the fashion field that combines various aspects right from designing to mass production, communication and retailing. We offer a comprehensive curriculum that blends theoretical knowledge with practical application, preparing our graduates to address real-world challenges with innovative solutions. Through hands-on learning experiences, research opportunities, and community engagement, you will develop the skills and knowledge necessary to make a positive impact in diverse settings.

The Institute of Fashion Technology comprises of three undergraduate honors programme namely, Textile and Apparel Design, Fashion Communication and Fashion and Apparel Technology.

Our dedicated faculty members are experts in their respective fields, bringing both academic rigor and real world experience to the classroom. They are committed to mentoring and guiding you to achieve your full potential, both academically and personally.

In alignment with the visionary New Education Policy (NEP) 2020, our curriculum has been updated to provide a flexible, multidisciplinary, and holistic education. The NEP 2020 framework ensures that you have the opportunity to explore various subjects, develop critical thinking and problem-solving skills, and engage in experiential learning. This approach prepares you to navigate and excel in a rapidly changing World. Beyond academics, we offer a vibrant campus life with numerous opportunities for extracurricular engagement. From student clubs and organizations to community service projects and cultural events, there is something for everyone to get involved in and enrich their university experience.

As you consider your educational journey, you are invited to join our community of passionate learners and dedicated educators. The Institute of Fashion Technology is a place where you will be challenged, inspired, and supported as you work towards your goals.

Together, we can make a difference and build a better future for all.

You are welcome you to our Institute.

Prof. (Dr.) Anjali Pahad

ABOUT THE INSTITUTE

The Faculty of Family and Community Sciences has evolved into a premier institute encompassing dynamic fields of studies. Spanning over a period of six decades the faculty has made conscious efforts towards redefining and broadening its view in response to the rapidly changing national and global scenario. It offers a professional culture, vibrant teaching learning ethos, engagement with the issues of social relevance, teamwork and intrinsic motivation to better the best. The faculty offers courses at different levels of graduations under five specializations:

1. Clothing and Textiles
2. Extension and Communication
3. Family and Community Resource Management
4. Foods and Nutrition
5. Human Development and Family Studies

Department of Clothing and Textiles since its inception in 1957 with undergraduate program is striving towards achieving excellence in the field of Textiles, Clothing and Design. Looking at the needs of the society and for preparing students to meet the challenges, the department has introduced M. Sc, Ph. D and another UGC recognized vocational degree in Fashion Design in 2002.

The booming fashion industry across the globe created requirements for well-qualified people in the fashion field, so in 2013, the inception of Institute of Fashion Technology was done under the aegis of Clothing and Textile Department of the Faculty of Family and Community Sciences under Higher Payment Programme.

The Institute of Fashion Technology is the first of its kind in Vadodara which includes multiple disciplines under the same roof mainly to create educational, social and business opportunities for the fashion and technology industries. The Institute was established with the vision that fashion education needs to remain competitive and provide employment in the rapidly changing fashion industry.

To achieve the goal of transmitting a broader range of competencies, the institute

created its innovative curriculum that addresses the needs of the fashion industry. The courses offered develop the creativity in students while also teaching key technical skills needed to succeed in this competitive industry. These programs encourage and facilitate innovative design and production through creative exploration, applied research, and collaborative enterprise. The courses developed reflects current industry practices, extend students' market knowledge and explore enterprise opportunities. Students will thus be developing a clear understanding of the collaborative and holistic nature of fashion industry.

The Institute also aims to impart professional education to students who are looking out for new specializations and emerging professions within the fashion field such as Image Consultants, Stylists, Photographers, Merchandisers, Designers, Fashion Consultants, Production Managers, Product Developers, Brand Managers, etc.

VISION

To provide professional education in a stimulating environment enriching the learning process by nurturing creative, technical and entrepreneurial talents with a holistic approach and capturing explicitly the character of the education paradigm.

MISSION

- To be a premier institute providing opportunities and experiences for innovation through conceptual processes emphasizing curiosity, imagination, improvisation and play.
- To provide experiential learning by recognizing the changes in economic and business environment nationally and globally.
- To identify opportunities for newer linkages and tie-ups across institutional, national and international boundaries in order to create fresh opportunities for the development of the community.
- To prepare the students to envisage and face the challenges of the fashion industry and create the next generation of professionals to lead and serve the local and global community.

SALIENT FEATURES

- UGC recognized Honours degree
- Four Years degree program with multiple exit options
- Holistic syllabus as per NEP 2020
- Well qualified staff
- State-of-the-art infrastructure
- Annual showcase of designs and talent through fashion shows, exhibitions, open house, etc.

PROGRAMMES OFFERED

ELIGIBILITY CRITERIA

B. Sc. (Honours) Degree Programmes:

The applicant should have passed Std. 12 (10+2) – Science / General stream or equivalent examination from a recognized board with ENGLISH as one of the subjects.

The applicant should have passed Std. 10 and 3-years Diploma with ENGLISH from a recognized Technical University in any relevant field.

Post Graduate Diploma Programme:

Any graduate under the 10+2+3/4 years scheme of education from a recognized University with English as a subject.

INTAKE CAPACITY

- B. Sc. (Honours) Textile and Apparel Design 60 seats
- B. Sc. (Honours) Fashion Communication 60 seats
- B. Sc. (Honours) Fashion and Apparel Technology 40 seats

DURATION OF PROGRAM

B. Sc. (Honours) Degree Programmes: 4 years with multiple entry and exit options
(8 semesters)

MODE OF ADMISSION

The final admission to the programme will be based on the merit.

ADMISSION DATES

As notified by the Government of Gujarat admission calendar.

ONLINE REGISTRATION FEES

Rs. 300/-

(to be paid online at GCAS portal)

PROGRAMME FEES

B. Sc. (Honours) Degree Programmes: Rs. 1,11,700/- per year*

* Subject to revision each year

ADMISSION PROCEDURE

The entire admission process is online. To apply online, register at <https://gcas.gujgov.edu.in/>

For more information about online applications, visit <https://gcas.gujgov.edu.in/Content/general-instructions-196>

6. Scanned Copy of Recent Passport Size Photograph
7. Sponsorship Details (if any)

Offer Letter for Admissions: To be followed as per GCAS timelines.

Kindly contact: office-oia@msubaroda.ac.in for any query.

Disclaimer: *Completing the online application form does not guarantee admission in that course/program. All admissions are through merit/entrance test as per the requirement of the Program and Faculty Norms. If any information is incorrectly filled, the student may get rejected/debarred from admission.*

B. Sc. (F.T.) (Honours) TEXTILE AND APPAREL DESIGN

Associate Director: Prof. (Dr.) Madhu Sharan

To succeed in today's fashion world, designers need to do much more than competently sketch garments on sheets of paper. This studio-based programme encourages and facilitates innovative design and production through creative exploration, applied research and collaborative enterprise. Our courses are developed to reflect current industry practices, extend students' market knowledge and explore enterprise opportunities.

B. Sc. (F.T.) (Honours) Textile and Apparel Design programme has built a reputation for producing professionals, highly talented and skilled design graduates with advanced technical and business knowledge to propel them into the industry. The student masters all the skills needed to make it in the industry, following the footsteps of many successful fashion designers.

Different teaching methods, creative strategies, and hands-on processes are used to encourage sustainable practices in education. Guided by experienced design professionals in a supportive and creative environment, students gain industry insights, practical skills, and research-based knowledge to develop their unique design identity and apply concepts in real life. Through industry collaborations, workshops, and mentorship, they refine their craftsmanship while staying updated with evolving trends. This holistic approach equips them with the confidence and expertise to create innovative, sustainable solutions in the fashion industry.

AIMS AND OBJECTIVES OF THE PROGRAMME

Aim of the programme is to impart holistic understanding for creative design and use of Information and Communication Technology in Textile and Apparel Design.

- To provide theoretical and practical understanding of technical processes, innovation and business enterprise and their interaction with design.
- To equip the students with necessary skills for designing and creativity with the use of modern technology.
- To develop organizational and managerial abilities to harness design innovation

and problem-solving techniques.

- To develop students' ability to research effectively by identifying, assimilating, interpreting and applying technical, market and business information through sound and innovative research methods.
- To develop linkages with industry, government and non – government organizations in organizing professional programmes for imparting technical skills and capacity building at different levels.

CAREER OPPORTUNITIES

B. Sc. (FT) (Honours) FASHION COMMUNICATION

Associate Director: Prof. (Dr.) Anjali Pahad

The Institute of Fashion Technology is a brand extension of the already established Faculty of Family and Community Sciences which has been pioneer in Extension & Communication, Interiors, Textile and Design education. The institute includes multi disciplines under one roof, mainly to create educational, social, and business opportunities for Fashion, Fashion Media, Garment, and Retail industries. Today, the success of a brand is marked and understood largely through its uniqueness in identity. With a multitude of prêt and luxury brands mushrooming in the Indian retail scenario, it has become essential for each one of them to develop a unique brand identity for maximum impact in the domain of Fashion and Lifestyle. Thus, 'Fashion Communication' forms the core of the whole business of Fashion.

One of the newest and most exciting avenues in the industry, Fashion Communication encompasses integrated course study relating with areas such as Graphic Design, Fashion Journalism, Visual Merchandising, Styling and Photography, Advertising, Public Relations and Space Design. Thus, at the exit level equipped with an intensive skill, knowledge and concept based on Fashion Communication students emerge as dynamic professionals qualified to offer the most effective and financially viable communication solutions for the fashion, media and lifestyle industry.

AIMS AND OBJECTIVES OF THE PROGRAMME

- To be able to create and manage integrated fashion communication approaches, that mold the students to be fashion media ready.
- To prepare the students to face challenges of the fashion industry and serve them globally.
- To provide experiential learning by allowing students to engage in various activities and internship all over the country.
- To create a niche in the field of fashion, media and management and to evolve as one of the premiere institutes.

CAREER OPPORTUNITIES

Students are exposed to a large expanse of subjects which help them to choose from a wide variety of avenues for jobs in their areas of interest:

- Brand Establisher
- Graphic Designer
- Visual Merchandiser
- Fashion Photographer
- Retail Space Designer
- Fashion Journalist
- Fashion Advertiser
- Event Management
- Cinematographer
- Fashion Stylist
- Social Media Strategist
- Visual Designer
- Creative Director
- Editor in Chief

OUR STRENGTHS

- Well Qualified Faculties
- Industrial Training
- State-of-the-Art Facilities
- Students Exhibition
- Educational Trips
- Strong Industrial Liaisons
- Visiting Fashion Industry Professional

TEACHING & LEARNING TECHNOLOGY

Fashion Communication seeks to provide all students with an educational experience that is exciting and personally challenging and enables students to demonstrate the following attributes:

- Technical and Digital Literacy
- Research
- Independent Thinking and Decision Making
- Confidence in Creativity
- Strong Inter-Personal Communication

COURSE DELIVERY METHODS

There is a balance of independent study, self-evaluation, collaboration and team work

- Traditional/Online Lectures
- Workshops
- Practicals, Demonstrations
- Debates
- Internship
- Study Tours
- Presentations
- Discussion Forum

B. Sc. (F.T.) (Honours) FASHION AND APPAREL TECHNOLOGY

Associate Director- Prof. (Dr.) Madhu Sharan

Fashion and Apparel Technology programme typically focus on the intersection of fashion, technology, and business. This programme aims to prepare students for careers in the dynamic and rapidly evolving apparel industry. The curriculum includes a combination of design, technology, and business courses to provide students with a well-rounded education.

AIMS AND OBJECTIVES OF THE PROGRAMME

- To create fashion technologists who can contribute to this field by innovation, education, technology and research.
- To provide a theoretical and practical understanding of technical process, innovation and business enterprise and their interaction with apparel.
- To equip students with a holistic knowledge and a well-balanced perspective of garment production.
- To generate trained manpower resource in various sectors of garmenting such as sampling, pattern and marker making, sewing and quality departments.
- To inculcate leadership skills and capabilities of interdisciplinary collaboration among students who are innovative and can produce solutions.
- To develop linkages with industry and non-government organizations in organizing professional programs for imparting technical skills.
- To prepare the students to envisage and face the challenges of the apparel and fashion industry and create the next generation professionals to lead and serve the local and global community.

CAREER OPPORTUNITIES

Students are exposed to a large expanse of subjects which help them to choose from a wide variety of avenues for jobs in their areas of interest like fashion designer, product developer, production manager, production supervisor, fashion consultant, quality assurance manager, industrial engineer, merchandiser, visual merchandiser,

production planner, retail buyer, export advisor, academician, etc.

SOME KEY FEATURES OF THE PROGRAMME ARE:

1. Design and Creativity:

- Courses in fashion design, pattern making, and garment construction.
- Exploration of textiles and materials used in the fashion industry.
- Emphasis on creativity, aesthetics, and developing a unique design perspective.

2. Technology Integration:

- Application of technology in fashion design and production processes.
- Training in computer-aided design (CAD) software for apparel construction.
- Understanding the use of technology in garment production.

3. Business and Management:

- Introduction to business concepts relevant to the apparel industry.
- Courses on marketing, branding, and retail management.
- Understanding supply chain management and logistics in the context of apparel.

4. Sustainability and Ethical Practices:

- Increasingly, programs address sustainable and ethical practices in the apparel industry.
- Exploration of eco-friendly materials, ethical sourcing, and sustainable apparel design.

5. Industry Exposure:

- Internships and practical experiences in the apparel industry.
- Guest lectures and workshops by industry professionals and academic experts.
- Opportunities for students to participate in fashion shows or exhibitions.

6. Research and Innovation:

- Encouraging students to explore and contribute to innovations in apparel technology.
- Research projects on emerging trends, materials, and technologies in the fashion and apparel world.

7. Global Perspective:

- Understanding global trends and the international nature of the fashion industry.
- Exposure to diverse cultural influences on fashion.

8. Portfolio Development:

- Guidance on creating a professional portfolio showcasing the student's work.
- Preparation for job interviews and networking opportunities within the industry.

9. Collaborations with Industry Partners:

- Partnerships with apparel companies, brands, and manufacturers for real-world projects.
- Access to industry professionals and potential employers.

As technology continues to play a significant role in the apparel industry, the programme evolves to incorporate the latest advancements and prepare students for the demands of the industry.

Semester Wise Distribution of Courses offered to B. Sc. (F.T.) (Honours) Students Specializing in Fashion and Apparel Technology (Based on NEP 2020)

Year 1		Semester 1	Level 4.5
Course Type	Course Name		Credits
Major	Basics of Clothing & Design		4 (0+4)
	Basic Pattern Making		4 (0+4)
Minor	1 minor from a basket of 6 courses. Refer page no. 48		4 (4+0)
Multi-disciplinary	Creative Thinking		4 (1+3)
Ability Enhancement	Fundamentals of Communication in English		2 (2+0)
Skill Enhancement	Computer Literacy – I		2 (1+1)
Indian Knowledge System	Indigenous Fibres, Yarns & Fabrics		2 (1+1)
	Total		22 (9+13)
Year 1		Semester 2	Level 4.5
Course Type	Course Name		Credits
Major	Sewing Fundamentals		4 (0+4)
	Structural Textile Design		4 (2+2)
Minor	1 minor from a basket of 6 courses. Refer page no. 48		4 (4+0)
Multi-disciplinary	Garment Production & Machinery		4 (2+2)
Ability Enhancement	Developing Communication Skills in English		2 (2+0)
Skill Enhancement	Computer Literacy – II		2 (1+1)
Value Added	Environment Science		2 (2+0)
	Total		22 (13+9)

Exit I: Award of UG certificate in Major Course with 44 credits with additional 4 credits of Summer Internship in core specific NSQF defined course OR continue with Major and Minor course for next NCrf credit level.

Year 2		Semester 1	Level 5.0
Course Type	Course Name		Credits
Major	Kid's & Women's Wear		4 (0+4)
	Advanced Pattern Making		4 (0+4)
	Anthropometry, Sizing & Grading		4 (0+4)
Multi-disciplinary	Intellectual Property Rights		4 (4+0)
Ability Enhancement	English for Entrepreneurship		2 (2+0)
Skill Enhancement	International Trade Practices		2 (2+0)
Indian Knowledge System	Sustainable Apparel Production		2 (2+0)
		Total	22 (10+12)
Year 2		Semester 2	Level 5.0
Course Type	Course Name		Credits
Major	Men's Wear		4 (0+4)
	Computer Aided Pattern Designing & Development		4 (0+4)
	Processing & Packaging in Apparel Industry		4 (2+2)
Minor	1 minor from a basket of 6 courses. Refer page no. 48		4 (4+0)
Ability Enhancement	English for Digital & Virtual Communication		2 (2+0)
Skill Enhancement	Global Sourcing		2 (2+0)
Value Added	Finishing Technology		2 (1+1)
		Total	22 (11+11)

Exit II: Award of UG Diploma in Major Course with 88 credits with additional 4 credits of Summer Internship in core specific NSQF defined course OR continue with Major and Minor course for next NCrF credit level.

Year 3		Semester 1	Level 5.5
Course Type	Course Name		Credits
Major	Plant Layout in Apparel Industry		4 (0+4)
	Orientation to Research		4 (4+0)
	Fashion Product Development		4 (0+4)
Minor	1 minor from a basket of 6 courses. Refer page no. 48		4 (4+0)
	1 minor from a basket of 6 courses. Refer page no. 48		4 (4+0)
Skill Enhancement	Techpack Development		2 (2+0)
		Total	22 (14+8)
Year 3		Semester 2	Level 5.5
Course Type	Course Name		Credits
Major	Communication Skills and Paper Presentation		4 (4+0)
	Cost Analysis in Apparel Industry		4 (3+1)
	Testing & Quality Control in Apparel Industry		4 (2+2)
Minor	1 minor from a basket of 6 courses. Refer page no. 48		4 (4+0)
Ability Enhancement	Role of Information Technology in Apparel Industry		2 (0+2)
Skill Enhancement	Internship in Apparel Industry		4 (0+4)
		Total	22 (13+9)

Exit III: Award of UG Degree in Major Course with 132 credits and Internship in core discipline OR continue with Major and Minor course for next NCrF credit level.

Year 4 (With Research)		Semester 1	Level 6.0
Course Type	Course Name		Credits
Major	Industrial Engineering		4(2+2)
	Global Fashion Systems, Branding & Markets		4(4+0)
	Entrepreneurial Skills		4(3+1)
Minor	1 minor from a basket of 6 courses. Refer page no. 48 & 49		4 (4+0)
Research	Dissertation – I in Fashion & Apparel Technology		6 (0+6)
		Total	22 (15+7)

Year 4 (With Research)		Semester 2	Level 6.0
Course Type	Course Name		Credits
Major	Lean Management		4(4+0)
	Apparel Retailing & Merchandising		4(3+1)
	Logistics & Supply Chain Management		4(4+0)
Minor	1 minor from a basket of 6 courses. Refer page no. 48 & 49		4 (4+0)
Research	Dissertation – II in Fashion & Apparel Technology		6 (0+6)
		Total	22 (12+10)

Award of UG Honours with Research Degree in Major course with 176 credits.

Year 4 (Without Research)		Semester 1	Level 6.0
Course Type	Course Name		Credits
Major	Industrial Engineering		4(2+2)
	Global Fashion Systems, Branding & Markets		4(4+0)
	Entrepreneurial Skills		4(3+1)
Minor	1 minor from a basket of 6 courses. Refer page no. 48 & 49		4 (4+0)
OJT	On Job Training – I in Fashion & Apparel Technology		6 (0+6)
		Total	22 (15+7)

Year 4 (Without Research)		Semester 2	Level 6.0
Course Type	Course Name		Credits
Major	Lean Management		4 (2+2)
	Apparel Retailing & Merchandising		4 (3+1)
	Logistics & Supply Chain Management		4 (4+0)
Minor	1 minor from a basket of 6 courses. Refer page no. 48 & 49		4 (4+0)
OJT	On Job Training – II in Fashion & Apparel Technology		6 (0+6)
		Total	22 (12+10)

Award of UG Honours in Major course with 176 credits.

STUDENTS SUPPORT SYSTEM

VARIOUS COMMITTEES AT FACULTY LEVEL FOR STUDENTS' WELFARE

Dean, Faculty of Family and Community Sciences appoints teaching faculty members for each post to function as Students Coordinator, Sports Coordinator and Teacher supervisor. The Dean of students and Teacher supervisor has free access to every department and office of the Faculty of Family and Community Sciences and are authorized to investigate and secure quick redress to students' grievance.

Students Coordinator

Students Coordinator will look into the student's concerns and create student friendly atmosphere with the help of the faculty members by developing effective liaisoning and advisory system. The Students Coordinator also facilitates and organizes Student Programmes such as admissions, orientations, welcome party and the programmes with the non-government and government organizations like blood donation, thalassemia testing, counselling for various issues.

Sports Coordinator

The Sports Coordinator will facilitate and organize Student' Sports Activities such as Inter-college events organized by University as well as coordinate special events, tournaments and championships hosted by the government and various other non-government organization.

Teachers Supervisor

The teacher supervisor will facilitate providing the students with basic amenities and facilities.

Faculty Eco Club

The Students' Eco Club at the Faculty of Family and Community Sciences promotes environmental sustainability and awareness among students. Through various initiatives such as tree planting drives, waste collection campaigns, and educational workshops, the club actively creates a greener campus and fosters a sense of environmental responsibility.

Yuva Tourism Club

Tourism club is an important aspect for promoting responsible and sustainable tourism in India. The initiative is to educate youth about diverse cultures and geographies of the country, create awareness about tourism opportunities, propagate responsible tourism practices and facilitate better coordination for study tours and student exchange programmes.

STUDENTS' FACILITIES AT THE FACULTY LEVEL

GENERAL RESOURCES OFFERED BY THE MAHARAJA SAYAJIRAO UNIVERSITY OF BARODA

SMT. HANSA MEHTA LIBRARY

- Smt. Hansa Mehta Library, a state of art Library is the first in the state to provide Wi- Fi facility to its clientele. The library is under surveillance through a closed-circuit television with the help of 24 cameras located strategically around various functional areas.
- It has a rich collection of prescribed textbooks and bound journals of more than one lakh, out of which some are as old as Nineteenth Century available till date.
- The library has a digital collection of rare books in house to create an Institutional Repository to serve the readers globally.
- It has the single largest Reading Room of 10,600 sq. ft. which can accommodate about 1100 readers at a time and is open to readers from 8.00 am to 10.00 pm i.e. 14 hours a day throughout the year except National holidays.
- All reading area covered with fully central AC facility. It is situated in the whole North Side of the building, to have a continuous natural light throughout the year.
- The books are stacked on two floors. These Stack Rooms have the same dimensions as the Reading Room with an additional sitting capacity of 500 plus readers.
- To serve the visually challenged and people with low vision, Zoomed Instant Text Reader has been procured.

Note: For further details refer website: <http://www.hmlibrary.ac.in>.

UNIVERSITY HEALTH CENTRE

- The University Health Centre provides consultation, investigations, specialists' services, treatment facilities for all common ailments, minor surgical treatment and counselling services to the staff, their dependents and students of The

Maharaja Sayajirao University of Baroda.

- Facilities for admission under observation, administration of intravenous fluids, immunization services and supportive laboratory are also available.

MARG COUNSELING CENTRE AT THE UNIVERSITY HEALTH CENTRE

- Counselling, Psychotherapy, Psychiatric treatment and Psychological testing are offered by MARG Counselling Centre, functioning at the University Health Centre on voluntary basis.
- It provides treatment in cases of mental health problems, stress and substance abuse to the University staff, their children and family members, as well as youths, school children and general public of Vadodara.

HALLS OF RESIDENCE FOR BOYS AND GIRLS

- The Maharaja Sayajirao University of Baroda has one of the largest hostel campuses in Western India.
- 12 Boys Hostel and 4 Girls Hostel and a separate Hostel for SC/ST are spread over the area of approximately 100 acres accommodating approximately 3800 students.

UNION PAVILION GROUND

The Union Pavilion Ground has facilities like swimming pool, athletic track, badminton court, basketball court, tennis court, volleyball court, kho-kho court, handball court, hockey field, cricket field, football field, kabaddi court, indoor table tennis hall and multi gym maintained by the Department of Physical Education.

UNIVERSITY GUEST HOUSE

The University Guest House is located in the heart of the University Campus, just besides the Vice Chancellor's Bungalow. It provides comfortable facilities for staying on the campus. It has 30 rooms with different types of comforts.

UNIVERSITY STUDENT'S FACILITATION CENTRE

Student's Facilitation Centre serves as a help desk in The Maharaja Sayajirao University Main office to provide a one-point interface between students and university administration for information requirements, transactions related to examination and results, various issue of documents, payments for various services and purchase of publications. A helpline with videophone and well-informed staff member at the reception are the key aspects of the Centre.

CENTRE FOR LIFELONG LEARNING AND EXTENSION

The Centre for Lifelong Learning and Extension is active in the field of Continuing Education in and around Vadodara since the last four decades. The center was established to cater to the felt needs of the society with the resources available in the University and from the community at large. The Centre offers short-term courses ranging from fifteen days to three months, and long-term courses ranging from six months to one year.

UNIVERSITY EMPLOYMENT INFORMATION AND GUIDANCE BUREAU

This Bureau is run by Employment and Training Department (Labor and Employment) Government of Gujarat since 1964. It deals with the work of Vocational Guidance activities as well placement services. All master degree holders, engineering graduates professional degree holders, and unemployed candidates are registered and placement services are provided to them.

NATIONAL CADET CORPS (NCC)

NCC is one of the biggest youth forums, which brings vibrant students together and guides them in the proper direction so that they can play a constructive role in the country's development. These students have enormous opportunities to show their talent and skills. Besides Military Training, they have a chance for adventurous activities, which give them a wider horizon and keep them morally and mentally fit so that they become well-disciplined members of society.

NATIONAL SERVICE SCHEME (NSS)

National Service Scheme is aimed at personality development of students through community services. NSS is a centrally managed programme enrolling student volunteers from different faculties of the University. Volunteers are involved in varied activities which include environment conservation, HIV/AIDS & health awareness, literacy and special campaign.

THE MAHARAJA SAYAJIRAO UNIVERSITY UNION

The Maharaja Sayajirao University Union is a statutory corporate body of the students and teachers to promote academics, social interaction, sports and cultural interests amongst the students. It works towards the development of student facilities.

UNIVERSITY COMPUTER CENTER

The Maharaja Sayajirao University-Computer Center was established to facilitate not only the research students and teachers for their research data processing but also for different connects.

PROF. C. C. MEHTA AUDITORIUM

The C. C. Mehta Auditorium has been effectively used by the University and the other Institutions for academic, cultural, social or the business purposes since its establishment.

WOMEN'S GRIEVANCE AND COUNSELLING CELL

Existing both at university as well as faculty level. They look after the safety and security of the female students and employees.

INTERNET FACILITY

All the registered students and staff can avail the internet facility on campus.

CONCESSION FORMS FOR BUS AND RAIL TRAVEL

Registered students get the concession for the travel after submitting required documents.

Refer website: msubaroda.ac.in for further details.

ABOUT NATIONAL EDUCATION POLICY 2020

ABBREVIATIONS

1. 'B.Sc.' indicates 'Bachelor of Science'
2. 'Major' indicates 'Discipline Specific Core'
3. 'Minor' indicates 'Disciplinary/Interdisciplinary Course'
4. 'MDC' indicates 'Multidisciplinary course'
5. 'SI' indicates 'Summer Internship', Apprenticeship
6. 'SEC' indicates 'Skill Enhancement Course'
7. 'VAC' indicates 'Value Added Course'
8. 'AEC' indicates 'Ability Enhancement Courses including languages'
9. 'Research' indicates 'Dissertation/Project/Entrepreneurship'
10. 'CO' indicates 'Course Outcome'
11. 'PO' indicates 'Programme Outcome'
12. 'PSO' indicates 'Programme Specific Outcome'
13. 'CCF' indicate 'Credit and Curriculum Framework'
14. 'UGCF' indicate 'Undergraduate Curriculum Framework'
15. 'NCrF Credit Levels' indicates 'National Credit Framework Credit Levels'
16. 'ABC' indicates 'Academic Bank of Credits'
17. 'FFCSc' indicates 'Faculty of Family & Community Sciences'
18. 'ME-ME' indicates 'Multiple Entry- Multiple Exit'
19. 'HPP' indicate 'Higher Payment Program'
20. 'OJT' indicates 'On the Job Training'
21. 'NSQF' indicates 'National Skill Qualification Framework'

KEY CONCEPTS (TAKEN FROM GR No: KCG/admin/2023-24/0607/kh.1.)

- A. **Assessment** is the process of determining that the learner has achieved the outcomes of the module. No credit can be earned by the learner unless programs is assessed for the achievement of outcome of a program.
- B. **Assessment Band** NCrF level be equated with the assessment mandatory stage of academic, vocational or experiential learning which must be cleared by the learner. Clubbing of levels (If any between two mandatory stage) has been referred as Assessment band.
- C. **A Credit** is a unit by which the coursework is measured. It determines the number of hours of instruction required per week over the duration of a semester (Minimum 15 weeks).

- 1 Credit of Classroom theory = 15 hours of engagement in a semester
 - 1 Credit of Practical/Internship/workshop-based activity/theory under ODL = 30 hours of engagement in a semester
 - 1 Credit of Field Visit/Industry visit/Assignments - 40-45 hours of engagement in a semester
 - Research Project/Dissertation: Seventh-Eighth Semester
- D. **A Credit Scheme** is a formal mechanism for awarding credits in respect of learning achievements.
- E. **Credit Accumulation:** The credit would be given for every kind of learning which are of each qualification and these credits can be accumulated in Academic Bank of Credits (ABC).
- F. **Credit Storage:** ABC shall enable an individual to digitally keep record of all the learning acquired and accumulated in terms of credits points throughout life in a common account irrespective of types of learning i.e., academic, vocational or experiential.
- G. **Credit Transfer** is a process by which credits are recognized by the concerned awarding body and mutual acceptance of credits between two entities.
- H. **Credit Level** defined on the basis of the cumulative number of years of learning with assessment.
- I. **Credit Framework** means the framework, built to measure units of education, skills, and learning credits for a student to achieve the competency for performing a job role successfully or efficiently.
- J. **Entry Eligibility:** The acquired and accumulated credits points by the learner needed for moving to a particular level after undergoing academic, vocational or experiential learning. These credits points must have been accumulated from the lower adjacent assessment band.
- The accumulated credits are with respect to each assessment band.
 - Academic equivalence possible only within the same assessment band
- K. **Learner/Student** refers to an individual undergoing general or vocational education, whether in a formal or informal setting.
- L. **Learning Hours:** Total outcome-based learning hours for credits shall include:
- Classroom Teaching / Tutorials / Group Discussions / Video / Presentation / Online Teaching, etc.

- Lab work/Practical/Projects/Assignments
- Sports/Games/Physical Activities/Yoga
- Social/Community work (Including NCC/NSS participation)
- Internship/Apprenticeship/On the Job Training (OJT), experiential learning (field visit, industry visit) etc.

M. **Level of Courses:** UG courses shall be coded based on the learning outcomes, level of difficulties and academic rigors. The Coding structure may be 0 - 99 (Pre-requisite level), 100 - 199 (Foundation or Introductory level), 200 - 299 (Intermediate level), 300 - 399 (Higher level) and 400 - 499 (Advanced level), 500-599 (First year course for two years master's degree Programme), 600 - 699 (Second year course for two years master's degree Programme), 700 - 799 & above (Courses of Doctoral students).

N. **Learning Outcomes** represent what a learner knows, understands and is able to do on a completion of a learning process. It would be expressed in terms of knowledge, skills and competence.

O. **Level of Learning** is one of the dimensions evaluated in the process of determining credit rating of learning achievement.

P. **A National Credit System** is a framework with a set of specification that is used by all institution and awarding bodies.

Q. **Notional Learning Hours** for one year of education/training across higher and vocational education have been agreed to be 1200 hrs for the purpose of assignments to award 40 credits subject to assessments.

R. **Skills** means the ability to apply knowledge and use know-how to complete task and solve problems.

S. **Sector** means a grouping of professional activities on the basis of their main economic function, product, service and technology.

DISTRIBUTION OF CREDIT AND SELECTION OF COURSES ACROSS FOUR YEARS DEGREE PROGRAMMES:

Major Discipline

Major discipline is the main focus (core) dominant subject, and the degree will be awarded in that discipline. Major selection will be done in the 1st semester as per the guidelines given for major selection of the Faculty of Family and Community Sciences. A student pursuing four-year undergraduate programme in a specific discipline (Core course) shall be awarded appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if he/she secures in that Discipline at least 50% of the total credits i.e., at least 88 credits in that Discipline out of the total of 176 credits. S/he shall study 22 core courses and 8 minor courses in eight semesters to get Honours degree with or without research.

Minor Discipline

Minor discipline is the broader understanding course beyond the major discipline course. It helps students to gain broader knowledge in addition to relevant major disciplines. A student may be awarded Minor in a discipline, on completion of VIII Semester, if he/she earns minimum 24 credits from six minor courses of that discipline. For example, if a student pursuing B.Sc (Honours) in Textile and Apparel Design chooses six Minor courses of Fashion Communication and writes dissertation, he/she shall be awarded on successful completion of VIII Semester, Major in Textile and Apparel Design and Minor in Fashion Communication.

- Minor subjects maybe from same or different disciplines as per the choice of the students.
- The credit of minor subjects shall be minimum 24 credits for 3 years bachelor's degree and minimum 32 credits for 4 years bachelor's degree programme.

Ability Enhancement course (AEC), Skill Enhancement Course (SEC), Value-Added Course (VAC) and Multidisciplinary Course (MDC)

These courses shall be a pool of courses offered by the faculty in odd and even semesters.

Interdisciplinary / Multidisciplinary Course (MDC) / Allied Courses

This is constituent discipline of the major courses and it helps learners to acquire core competence in relevant or any other independent courses of their choices. This course maybe major specific or other discipline specific. Learner shall have option to choose the course from the available pool of courses. MDC are courses which will provide multidisciplinary or interdisciplinary education to students.

Ability Enhancement course (AEC)

AEC courses offered to students to achieve competency in a Modern Indian Language and English Language focused on language and communication skills. It may be a major specific course.

Skill Enhancement Course (SEC)

SEC courses are aimed at imparting practical skills, embedded internship, hands-on training, soft skills, life skills, such approved online courses etc to enhance employability of students. This may also include courses as per the need of new evolving technology.

Value-Added Course (VAC)

VAC courses are aimed at enabling students to acquire and demonstrate knowledge and understanding of contemporary India with its historical perspective. VAC courses are value-based courses which are meant to inculcate ethics, culture, environment, constitutional values, soft skills, sports education and such similar values to students which will help in all round development of students.

Summer Internship/ Field Projects/ Apprenticeship / Community Engagement and Service corresponding to Major Subject, Co-Curricular Courses and Research Project.

- The Universities compulsory offer Internship/ Apprenticeship to the students corresponding to Major specific NSQF defined course in summer vacation, which will be mandatory to exit in first and second year of the three/four years degree programmes.
- Field projects/Community Engagement and services, corresponding to Major subject to be offered in first and second year, which shall fulfil the job

opportunities in many fields with their knowledge and skills. Each University/Educational Institute shall coordinate/make MoU with various recognized training centers.

Research Project/Dissertation:

- It will be offered to students who have minimum aggregate of 75% of marks in first six semester and wish to take research at undergraduate level. Students can choose a research stream in fourth year.
- The research project / dissertation will be in major discipline with minimum 12 credits.
- The student securing the required number of credits at the end of four years along with minimum 12 credits of research/ dissertation will be awarded with a degree of Honours with Research.

OBJECTIVES OF NATIONAL EDUCATION POLICY 2020

- To promote holistic development of every student in both academic and non-academic areas with a shift in focus from the teacher-centric to student-centric education.
- To provide flexibility to slow learners and advanced learner students so that they can choose to learn at their own pace and choice.
- To provide multidisciplinary and developmental education in the broader domain of family and community sciences.
- To promote creativity and critical thinking and to encourage in problem solving activities.
- To Integrate Indian Knowledge systems, Ethics and Development Goals into the curriculum.
- To promote communication skills in learning and teaching.
- To impart life skills education to the learners.
- To promote need based research culture for outstanding education and development.
- To provide flexibility for students to study at different times and at different institutions to complete one course (ease mobility of students). Credits earned at one institution can be transferred to another institution.

Structure of UGCF 2023

The UGCF is a structure for four-year undergraduate programmes in different disciplines with multiple exit options. The details of the structure are provided below in Table -1 for Grant in Aid programme and HPP programme.

TABLE 1: STRUCTURE OF UGCF AT FFCSC (GRANT IN AID & HPP)

Faculty of Family & Community Sciences (Regular and HPP)									
Sem (Level)	Major (4 Cr)	Minor (4 Cr)	MDC (4 Cr)	Lang / AEC (2 Cr)	SEC (2 Cr) Internship (4 Cr)	VAC / IKS (2 Cr)	OJT (6 Cr)	Research (5 Cr)	Total Credits

7 (6.0)	3	1	-	-	-	-	OJT (6 Cr)	-	22
8 (6.0)	3	1	-	-	-	-	OJT (6 Cr)	-	22

Major: Core courses, MDC: Multidisciplinary / Generic courses, AEC: Ability Enhancement Courses including languages, SEC: Skill Enhancement Courses, VAC: Value added courses common for all UG courses, SI: Summer Internship, Apprenticeship, Research: Dissertation / Project / Entrepreneurship, OJT: On the Job Training.

Note:

1. A student has to secure a minimum of 50% credits from the major discipline for the 3Y/4Y UG degree to be awarded a single major.

2. Internship in 6th Semester shall be in major specific courses and credit allotted for internship would be compulsorily counted under Major course.
3. The research project/dissertation will be in a major discipline with 12 credits.
4. Honours students not undergoing research, will do OJT in 7th and 8th semester in lieu of a research project, which will be awarded Honours degree to the students.
5. Basic Research methodology shall be offered as one of the courses in semester V/VI.
6. Students studying courses offered by any discipline other than his/her core discipline/Major will be treated as Minor for that student.
7. The student can Minor in another discipline (YYYY) if the student fulfils 6 papers (YYYY) of minor*4 credits =24 Credits in 3 Year / 4 Year programme.
8. IL1 & IL2 should be of same language (In future other languages would be offered as an option in 2nd year).
9. Major and Minor selection will be at semester I based on:
 - The merit of the student & reservation policy of the Govt
 - Seat availability
 (The faculty guidelines for the major and minor subject selection criteria would be followed)
10. Credit aligned with each course in major/minor and MDC is kept at 4 credits.
12. 5% of the total 132 credits would be IKS as per the UGC guidelines of March 2023.

Based on the above framework, the calculation of credits in the third & fourth years shall be as follows:

Year	Major with Internship	Minor	MDC	AEC	SEC	VAC/IKS	Research/ OJT	Semester wise cumulative Total Credits
Third	64+4=68	24	12	10	10	8	-	132
Fourth	88+4=92	32	12	10	10	8	12	176

Table 2: TOTAL NUMBER OF CREDITS & PAPERS in UG PROGRAM

	3 Y UG FFCSc Credits	Total papers	4 Y UG FFCSc with Research Credits	Total number of Papers	4 Y UG FFCSc Without Research Credits	Total number of Papers
Major	64	16	88	22	88	22
Minor	24	06	32	08	32	08
MDC	12	03	12	03	12	03
AEC	10	05	10	05	10	05
SEC	10	05	10	05	10	05
VAC	8	04	8	04	8	04
Internship	4	01	4	01	4	01
Research			12	03	-	
OJT					12	02
Total	132	40	176	51	176	50

Salient Points

- Entry level eligibility:** The general category for entry into Level 4.5 is the Secondary School Leaving Certificate obtained after successfully completing Standard 12. A programme of study leading to entry into the first year of the Bachelor's degree is open to those students who have met the admission requirements as given in the faculty guidelines and GOG reservation Policy will be in place
- A student seeking admission in faculty of family and community sciences will have to register for academic bank credit and have his/her own ID to facilitate mobility of students. This is a formal system of credit recognition, credit accumulation, credit transfers and credit redemption to promote distributed teaching-learning from various recognized institutions, approved ODL and other sources to increase their knowledge, capacities and skills.
- Number of hours of a credit course shall be defined by its component of lecture and practical.
- Every student shall study "Environmental Science" and "Indian Knowledge System from the Family and Community Science Perspective" courses in I and II semester. The AEC would be English which would be spread over 4 semesters of 2 credit each.
- Design of Degrees: Students shall be able to choose their minor depending on their needs, choice and requirement.

6. A student who pursues three years undergraduate degree programme in a specific discipline as a Core course [for example, B.Sc. (Textile and Apparel Design) will earn 68 credits in that discipline and shall be awarded degree in that discipline, if s/he exits after completion of VI semester.
7. Only those students who get a **CGPA of 7.5 and above** will qualify for the fourth year of the Honours Programme with research.
8. Dissertation in the 4th year shall commence from VII semester and conclude in VIII semester.
9. Dissertation will be written in the Major Discipline with 12 credits.
10. Only a student mentioned at (5) & (6) above who opts to write a dissertation in the Major/Minor subject in VII and VIII semesters in the fourth year, shall be awarded 'Bachelor of Field of Study/Discipline (Honours with Research) in Discipline'. For instance, a student who pursues B.Sc. (Honours) in XXXX and writes a dissertation on a topic relating to XXXX shall be awarded 'Bachelor of Science (Honours with Research) XXXX. Major and Minor shall be indicated on fulfilment of the conditions mentioned earlier.
11. A student who pursues four-year undergraduate degree programme without research shall be awarded after completion of the VIII semester as degree as 'Bachelor of Field of Study/Discipline (Honours without Research)' on completion of the 12 credits of On-the-Job Training
12. The course code, number of credits, components of lecture, and practical, pre-requisites to be fulfilled for choosing that course and the department offering the course shall be spelt out for each course. A student should fulfil the pre-requisites of a course to be able to opt it for study.
13. A student can also accumulate fixed proportion (40%) of credits from approved ODL courses as per UGC norms

Exit Options: Students are required to earn 22 credits per semester or 44 credits per year. The mandatory number of credits have to be secured for the purpose of award of Undergraduate Certificate/ Undergraduate Diploma/ Appropriate Bachelor's Degree

in the field of Study, to a student who chooses to exit at the end of even semesters (Table 3).

Table 3: Exit Options

YEAR	TYPE OF AWARD	STAGE OF EXIT	MANDATORY CREDITS TO BE OBTAINED FOR THE AWARD	NcrF Credit Level
1	Undergraduate Certificate in the field of Study	After successful completion of Semesters, I & II with Summer Internship of 4 Credits	44	4.5
2	Undergraduate Diploma in field of Study	After successful completion of Semesters, I to IV with Summer Internship of 4 Credits	88	5.0
3	Bachelor of Science in field of Study	After successful completion of Semesters, I to VI	132	5.5
4	Bachelor of Science field of Study (Honours with Research)	After successful completion of Semester, I to VIII	176	6.0
5	Bachelor of Science field of Study (Honours without Research)	After successful completion of Semesters, I to VIII	176	6.0

ESTABLISHING MULTIPLE ENTRY & MULTIPLE EXIT (ME-ME) PATHWAY

The student shall enter and exit the educational ecosystem at any point of time from the degree program. There is due weightage given to the work experience gained or any other training undertaken by the student. The equivalency of credits will be calculated as per NCrF defined framework. However, the regulatory body shall prescribe the criteria for ME-ME options are as below:

- UG certificate after completing one year in a discipline or field including vocational or professional areas after securing minimum 44 credits provided they secure 4 additional credits in work based vocational skill course or internship/Apprenticeship offered (Exit courses) during summer vacation.
- UG Diploma after completing two years in a discipline or field including vocational or professional areas after securing minimum 88 credits provided they secure 4 additional credits in work based vocational skill course or internship/Apprenticeship offered (Exit courses) during summer vacation.
- UG Bachelor's degree after three years programme in the relevant discipline after securing minimum 132 credits in the relevant discipline.

- Exit options shall be provided with UG certificates, UG Diploma, UG Bachelor's degree to the student at the end of second, fourth and sixth semester respectively. In the fourth year, students will receive a UG Bachelor's degree (Honours/Honours with Research) after securing minimum 176 credits on successfully completion of all eight semesters of the UG programme either at a stretch or with exits or re-entry options.
- Four Year UG Degree (Honours with Research): students who secure aggregate 75% & above marks in first six semester shall have the option to choose a research stream in fourth year. They have to do a research project under guidance of concerned HEIs with weightage of minimum 12 credits.
- Re-entry or lateral entry: Students who are opting for exit at any level, shall re-enter the programmes where they had left off. They can re-enter either in same or in different HEIs within three years of exit and complete the degree programme within the stipulated maximum period of seven years from the date of admission to first year UG programme.
- Inter University Transfer will be based on the Standard Operating Procedure (SOP) developed by Government of Gujarat.
- Summer Internship of 4 credits (one month) is mandatory for students who exit at the end of second and fourth semester to get the Undergraduate Certificate.

Note: A student who wishes to continue with the progression of the programme will be governed by the ordinances of the University.

CONCLUDING REMARKS

The Undergraduate Curriculum Framework 2023 has taken into consideration several aspects and provides a holistic education with multidisciplinary approach. The students should make use of the flexibility that is provided to its optimum use. The new curriculum developed is an important footstep to bring out the transformational change in the education with the focus on employment opportunities. The students should make use of the flexibility with vigorous curriculum framework which would help them develop the required skills for various developmental tasks at Local, Regional, National and Global level.

PROSPECTUS COMMITTEE MEMBERS 2025-26

Sr. No.	Name of the Teacher	Designation/Dept. Representative
1.	Prof. (Dr.) Anjali Pahad	Chairperson
2.	Dr. Shilpi Saraswat	Convener
3.	Dr. Shohrat Saiyed	CT
4.	Dr. Krutika Bhate	EC
5.	Dr. Rakhi Dasgupta	FCRM
5.	Dr. Kanchi Baria	FN
6.	Ms. Zoya Z Mohammedi	HDFS
7.	Ms. Deepti Kothari	IFT-TAD
8.	Ms. Nuti Bhagat	IFT-FAT
9.	Ms. Birina Das	IFT-FC

THANK YOU!

MINOR COURSES OFFERED TO HPP PROGRAMMES

Sem	FAT	TAD	FC	ID	FN	FFCSc	University
