Prof. V. A Kalamkar
Dean, Faculty of Science
The Maharaja Sayajirao University of Baroda

Inspiring Minds, Shaping Futures

The Bi-Weekly Research Lecture Series is an initiative of the Department of Zoology to create a vibrant platform for scientific dialogue, knowledge exchange and global research connectivity. Bringing together accomplished voices from diverse fields, it seeks to illuminate inspiring journeys, exchange transformative ideas, and encourage young minds to pursue knowledge with curiosity and purpose. More than a lecture series, it is a platform to broaden horizons, recognise achievement, and inspire the next generation to lead, discover, and shape the future.

ONLINE

Zoom link will be shared before each session to all the registered participants

OPEN TO

All teaching staff, BSc, MSc and Phd Students
