An industrial visit was organized for Third Year Diploma in Electronics & Communication (TYDEC) students of Maharaja

Sayajirao University of Baroda, Polytechnic, to Electronics Pvt. Synchronics Ltd. The visit aimed to bridge the real-world industrial and gap between theoretical knowledge

EXPERT LECTURE ON SUSTAINABLE ENERGY RESOURCES

The Electronics & Communication Department, Polytechnic (HPP) organized an expert lecture on “Sustainable Energy Resources and their Applications in Real World with Innovative Approach” on 10th August 2022. The session was delivered by Dr. Sadanand A. Namjoshi, who shared valuable insights into various sustainable energy resources and explained their practical applications using innovative methods. The lecture helped students gain a better understanding of the importance of renewable energy and its role in building a sustainable future through real-world engineering solutions.
