

Department of Metallurgical and Materials Engineering
Faculty of Technology and Engineering
The Maharaja Sayajirao University of Baroda
Tentative Time Table

Program Name: ME (Material Technology) Year: I
Division: Room No.: Second floor

Semester: I
Academic Year: 2026-2027

Time	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
11.00-12.00 pm	Seminar	Phase Transformation (BJC)	--	Ceramic Materials (VJR)	Materials Characterization Techniques (UP)	Ceramic Materials (VJR)
12.00-01.00 pm	Phase Transformation (KP)	Ceramic Materials (VJR)	Phase Transformation (KP)	Nano Materials and techniques of Nano Synthesis	Polymeric Materials (AV)	Phase Transformation (BJC)
01.00-02.00 pm	Nano Materials and techniques of Nano Synthesis	Seminar	Ceramic Materials (VJR)	Polymeric Materials (AV)	Materials Characterization Techniques	--
02.00-02.30 pm	R	E	C	E	S	S
02.30-03.30 pm	Polymeric Materials (VJ)	Polymeric Materials (VJ)	Materials Characterization Techniques lab (JP)	Phase Transformation lab BJC/KP	Polymeric Materials (AV)	Materials Characterization Techniques (UP)
03.30-04.30 pm	Nano Materials and techniques of Nano Synthesis	Materials Characterization Techniques			Nano Materials and techniques of Nano Synthesis	
04.30-05.30 pm						

Shankar D.T.
(816126) Head

Department of Metallurgical and Materials Engineering
Metallurgical and Materials
Engineering Department
Faculty of Technology & Engg.
The M. S. University of Baroda.
Vadodara.
