Navratri is just round the corner. This nine days long festival is a cultural jewel in the Crown of the multi-faceted character of our Bharat Varsh and a specialty of Gujarat.

We, at The Maharaja Sayajirao University of Baroda have decided to seize this opportunity to acknowledge and bow to the Divine Strength (Shakti) that comes as a result of The Intellect (Pragya).

We are organizing an Online Lecture Series in Faculty of Arts from 22nd September 2025 to 30 September 2025, 3:30 pm onwards. On each day of Navratri by eminent Scholars from the MSU fraternity and beyond including various disciplines in India.
