

**DEPARTMENT OF ZOOLOGY
FACULTY OF SCIENCE
THE MAHARAJA SAYAJIRAO UNIVERSITY OF BARODA,
BARODA - 390 002**

Z/PP/ICMR/19

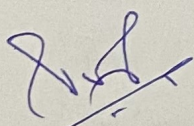

19th January 2022

Applications are invited on plain paper for the following post to work under ICMR sponsored research project, entitled **“Role of PDGFRa-Integrin interaction and involvement of lipid rafts in anoikis resistance: Possible implications for glioblastoma progression”** funded by Indian Council of Medical Research (ICMR), New Delhi”. Interested individuals are advised to send their curriculum vitae giving full particulars of Educational Qualifications, Experience, Research Interests etc. to the “Principal Investigator, **Role of PDGFRa-Integrin glioblastoma progression**”, Department of Zoology, Faculty of Science, M. S. University of Baroda, Vadodara – 390 002 by 5th February 2022

Name of the post and Salary Fellowship/Remuneration	Eligibility & Qualification required	Name of the Project
---	--------------------------------------	---------------------

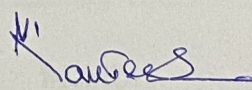

<p>Junior Research Fellow (1 post)</p> <p>Fellowship: Rs.31,000/- + 16% HRA = Rs.35,960/-p.m</p> <p>Project Duration: Total 3 Years, But initially for one year, and another two years, after approval from the funding agency, subject to satisfactory research work and progress made.</p>	<p>Eligibility: M.Sc. Zoology/ Biotechnology/Biochemistry Microbiology or an allied area with at least 55% marks or an equivalent grade with UGC/CSIR NET/ GATE qualified. Hands-on expertise in mammalian cell culture, cell-based assays, molecular biology techniques. Desirable Qualification: Prior research experience in human primary cell culture/hands on experience in fluorescence microscopy/in silico studies/ IP/Co-IP/Pull-down/gene cloning assays are highly desirable.</p>	<p>“Role of PDGFRa-Integrin interaction and involvement of lipid rafts in anoikis resistance Possible implications for glioblastoma progression” funded by Indian Council of Medical Research (ICMR), New Delhi”.</p>
---	---	---

Above post is purely temporary, time gap, time bound appointment till the duration of the project.

(Dr. Prakash Pillai)
Principal Investigator
“Role of PDGFRa-Integrin interaction
glioblastoma progression”
