The forum is the mark of rigorous brainstorming and academic excellence in the process of developing a research culture and nurturing research aptitude of pro-active researchers. All the Ph.D. research proposals are initially presented in this forum by the research scholars. The researchers also meet in the forum to discuss their research related problems at every step to help one another and to improve on their studies.

JOURNEY SO FAR...

The Faculty of Education and Psychology was established in 1949 with The Maharaja Sayajirao University of Baroda. Prior to this, institution existed as Secondary Teachers' Training College from 1935 to cater to the training needs of teachers in Western part of India. The Department of Education in the Faculty is enjoying the status of Centre of Advanced Study in Education [CASE] for the last six decades. The department is also given the status of Institute of Advanced Studies in Education [IASE] by the Ministry of Human Resource Development since 2001. Ministry has identified this department as monitoring institution in 2001 to supervise and monitor the implementation of SSA, KGBV, MDM and NPEGEL in the state of Gujarat and Union Territories of Daman and Diu. In 2017, the Ministry of Human Resource Development accorded the status of Inter-University Centre for Teachers Education [IUCTE] to the Department of Education, under the scheme of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching [PMMMNMTT].
