

# Awareness drive held on cyber crime

TIMES NEWS NETWORK

**Vadodara:** An awareness drive on 'Cyber crime: recognition, prevention and reporting' on Saturday at the Pandit Deendayal Upadhyay Auditorium of MSU.

The drive organized by Vadodara HR Forum in association with MS University's Faculty of Management Studies (FMS) had a session undertaken by cyber crime cell team of Vadodara range of Gujarat police which covered several important aspects of cyber crime like types and how to avoid it.

With many important tips and real life incidents, the team raised awareness about how data is unsafe online and also spoke about how fraudsters run their business on fear. "Timely reporting of fraud can save your hard-earned money. One only needs to contact on 1930 — local cyber crime helpline number, and 155260 national helpline number," a release said.
