# Department of Applied Mathematics
## Faculty of Technology and Engineering
## The Maharaja Sayajirao University of Baroda

**Tentative Time Table**

**Program Name:** PGDCA      **Year:** I      **Semester:** I

**Division:** -      **Room No.:** AM-101B      **Academic Year:** 2023-2024

| Time | MONDAY | TUESDAY | WEDNESDAY | THURSDAY | FRIDAY | SATURDAY |
|---|---|---|---|---|---|---|
| 11.00-12.00 pm | Fundamentals of web application and development | Programming in Python | Principles of system management and design | Unix and programming in C | Web technologies | Fundamentals of web application and development |
| 12.00-01.00 pm | Principles of system management and design | Unix and programming in C | Fundamentals of web application and development | Web technologies | Web technologies | Principles of system management and design |
| 01.00-02.00 pm | Programming in Python | Fundamentals of web application and development | Web technologies | Programming in Python | Programming in Python | Programming in Python |
| 02.00-02.30 pm | R | E | C | E | S | S |
| 02.30-03.30 pm | Practical on Programming in Python (Lab-1) | Principles of system management and design | Unix and programming in C | Practical on Unix and programming C (Lab1) | Principles of system management and design | Practical on Web technologies (Lab1) |
| 03.30-04.30 pm | Practical on Programming in Python (Lab-1) | Unix and programming in C | Web technologies | Practical on Unix and programming C (Lab1) | Fundamentals of web application and development | Practical on Web technologies (Lab1) |
| 04.30-05.30 pm | | | | | Unix and programming in C | |
