Maharaja Sayajirao University Union; the event was organised successfully. The Maharaja Sayajirao University Union holds debates so as to enable students to learn the art of debating. The event was initially opened with the University Song and the welcome note by the Union President Dr. Reena Bhatia. She initiated with a heart warming welcome to the Guest of Honour Dr. Jigar Inamdar, Member of Senate and Syndicate of The Maharaja Sayajirao University of Baroda. Continuing this objective, all the members of objective 1 of the union organised this discussion round with the purpose of gaining a better idea of how to structure and regularly organise such an event among university students in the given year of 2021. The event started with the welcome address and University Song, followed by opening remarks from Dr. Jigar Inamdar, who gave a wonderful and comprehensive speech based on several instances of his life experiences that interested all the participants. Then the event entered into the group discussion round where jury member Ms. Kaksha selected the topic "**Atmanirbhar Bharat: how shall we achieve it ?**" from the lottery. In 3 minutes of time, participants presented themselves spectacularly and expressed their ideas with clarity to the one and all present. And afterwards, there was a counter question round among the participants, which vividly reflected the enthusiasm and intellectuality that today's youth possess. Students attempting to speak for the first time in front of a crowd also stunned all the listeners. There was no language barrier, which made the event richer.

That day, the union received lots of thoughtful insights and new ideas for their upcoming debates and plans, and also an upliftment to take their work further for this incredible generation. At the end of this round, jury members gave their helpful advice and suggestions to each participant on how to improve their diction, posture, reasoning, research, etc. so that they could better themselves for future events. The day was memorable for all. Lastly we ended with National Anthem.

With the kind blessings and support of Prof. Parimal Vyas Sir, Vice Chancellor of The Maharaja Sayajirao University of Baroda and Patron of The Maharaja Sayajirao University Union, the event was organised successfully. The event was commenced with the University Song. The Maharaja Sayajirao University Union

organised a series of online webinars every Sunday to create awareness about government IDs and proofs. On the Sunday of April 18th, at 5:00 pm, an online workshop for awareness on PAN cards was conducted by the students' volunteers. The event has 33 registered students from the university. An introductory presentation about pan cards was presented by Ms. Akamksha Binny, in which the contents of pan cards, why there is a need for pan cards, and benefits of pan cards were explained to the students. The event was followed by a live demo of how to apply for a Pan Card online. Step-by-step instructions were explained to the students by volunteer Ms. Jigyasa Gandhi. During the live demo, clear information about the site to be used by students to apply online, the documents that need to be used, and the amount to be paid for the same was mentioned. The event continued with a questions and answers session in which the students enquired about how many days it would take to get a pan card and what the procedure would be if there was any mistake in the details on the card. These queries were solved by Marvi Singh. The workshop enhances knowledge of an important government ID card, namely the Pan Card. This session was filled with learning and practicality. The live demo on how to apply made the whole process of getting a pan card easier for students. The session made students aware of the importance of pan cards. This knowledge will later prove to be helpful in their lives. Lastly the webinar was concluded with singing the National Anthem Collectively.

Event Description

Topic : "Virtual Learning: Will it be successful in shaping our education?"

Date: 24th April 2021

Time of the event: 11:00 a.m. to 2:00 p.m.

Team Leader: Ms. Heena Punjabi

Communication Leaders: Mr. Yatharthdeep Sharma And Shakshi Shah

Anchors: Ms. Uttara Gupta and Ms. Saloni Patel

Mode of the event: Online

Jury members of the Event:

- Dr. Parag Shukla, an Assistant Professor at the Faculty of Commerce, with more than 10 years of teaching and research experience, at the Maharaja Sayajirao University of Baroda.
- Mr. Umang Modi, an Assistant Professor at the Faculty of Law of The Maharaja Sayajirao University of Baroda and member of the World Health Organisation's Legal Development Program on Road Safety.

This universally acclaimed concept was debated by students from different faculties of the Maharaja Sayajirao University of Baroda. Volunteers from Objective 1 of the union organised this two-day event, welcoming all learners to open up and develop their rhetoric skills. A total of 93 participation was received from different faculties of the University. Under their supervision, the students rationalised their thoughts and gave a tough fight to their competitors. After the group discussion round, students were qualified for the debate round by looking into five parameters: confidence, using appropriate manners, tone and volume during the discussion, supporting their views in a logical and meaningful way, responding to the opposing arguments effectively, and conceptual clarity. Students were allowed to present their points in all three languages – Hindi, English, and Gujarati – emphasising the diversity we have. Students played in pairs of two, where one spoke for the topic and the other against it. But whatever they said, it had a spark and perfection that was worth admiring. At the end, they also stated the role played by educational institutions in this virtual learning. Some of them also mentioned their personal experience and how efficiently they manage their time with this virtual learning. Dr. Parag Shukla summarised with a very beautiful quote, which is, "For good ideas and true innovation, you need human interaction, conflict, argument, and debate." The Event was concluded with a vote of thanks and by singing the National Anthem collectively.

MSUના યુનિયન દ્વારા ઓનલાઇન શિક્ષણક્રમમાં વિદ્યાર્થીઓમાં રહેલી ક્રિએટિવિટી અને તેમના વિચારોને યોગ્ય મંચ મળે તે હેતુસર બુલંદ સિરિઝ અંતર્ગત તા.૨૩ અને ૨૪ એપ્રિલના રોજ બે દિવસની પ્રથમ વચ્ચુંઅલ ડિબેટ કોમ્પિટિશન કમ ગ્રુપ ડિસ્કશનનું આયોજન કરવામાં આવ્યું હતું.

જે વિશે માહિતી આપતા યુનિયનના પ્રેસિડેન્ટ ડો.રીના ભાટિયાએ જણાવ્યું હતું કે, હાલ છેલ્લાં એક વર્ષથી શિક્ષણનું માધ્યમ બદલાઈને ઓનલાઇન થઈ ગયું છે, તેવામાં વિદ્યાર્થીઓને ક્રિએટિવિટી અને વિચારોને યોગ્ય મંચ મળી રહે તે ખૂબ જરૂરી છે. અને આ ડિબેટ અને ગ્રુપ ડિસ્કશન કોમ્પિટિશનમાં કન્ટ્રોલ ટોપિક્સ જેવાં કે, વચ્ચુંઅલ લર્નિંગ થકી શું આપણે શિક્ષણને આકાર આપવામાં સફળ રહીશું, વેબ સિરિઝ અને મૂવીઝની યુથ પર શું અસરો થઈ છે?, વર્ષતાં જતાં સાયબર ક્રાઈમને કેવી રીતે રોકી શકાય?, સીબીએસઈની પરીલાઓ કેન્સલ થતાં વિદ્યાર્થીઓ પર તેની કેવી સાયકોલોજીકલી અસરો થશે?, કોવિડની ઈન્ડિયાના

હેલ્થ સેક્ટર પર થયેલી અસરો સહિત વિષયો સમાયાં હતા. જેમાં વિવિધ ફેક્ટરીના ૯૩ જેટલાં વિદ્યાર્થીઓએ ભાગ લીધો હતો. આ ડિબેટ અને ગ્રુપ ડિસ્કશનમાં કોઈપણ પ્રકારનું લેન્ગવેજ બેરિઅર રાખવામાં આવ્યું ન હતું. વિદ્યાર્થીઓએ ગુજરાતી, હિન્દી અને અંગ્રેજી એમ ત્રણેય ભાષાઓમાં વિચારો પ્રસ્તુત કર્યાં હતા. હવે દર મહિને બુલંદ સિરિઝ અંતર્ગત ડિબેટ કોમ્પિટિશન કમ ગ્રુપ ડિસ્કશનનું આયોજન કરાશે.

The webinar was opened with the University Song and a welcome note by the Union President, Dr. Reena Bhatia. She initiated with a heart-warming welcome to the esteemed Guest of Honour, the invited speaker and the audience in the room. Sagar J. Soni addressed the topic of public speaking as "Sanwad," which can be seen through eyes and actions. One main thing that comes under public speaking is that you should know when to start, how to start and where to stop. A short movie, "Bhazan Kala", by Pramod Mahajan, was suggested by Jigar Inamdar Sir for public speaking, based on Sanwad and communication. Our first speaker, Sagar Sir, began his session by sharing his own experience of being in 11 STDs and having a fear of public speaking. Next, Sagar J. Soni randomly called up 3 participants and did a small activity with them. He asked them to choose the topics as per their choice between entertainment, persuasive, and informative, and gave them 30 seconds to prepare for it. Then he asked them to deliver their speeches, which they had prepared. It turned out to be a great activity for the attendees. A question-and-answer session was conducted by Mansi Gadhwi, where she asked questions about stammering problems and other public speaking concepts. Adv. Kunal Sharma described to us how we can prepare ourselves for public speaking and shared various tips and tricks for public speaking. Also, he covered technical areas that remain untapped. At the end, some other honourable professors and guests shared their insights with the students, and the team members asked multifarious questions regarding the topic, concluding the event with smiles. Lastly, the webinar ended by singing the National Anthem collectively and vote of thanks.

26th June is observed as the International Day against Drug Abuse and Illicit Trafficking to strengthen action and cooperation to achieve the goal of an international society free of drug abuse. Supported each year by individuals, communities, and various organisations all over the world, this global observance aims to raise awareness of the major problem that illicit drugs represent to society. On account of this a multi faculty Webinar on “Awareness about Drug abuse and illicit trafficking” was initiated and organised by Dept. of Environmental

Studies, Faculty of Science, Maharaja Sayajirao University Baroda in collaboration with The Maharaja Sayajirao University of Baroda Union, Faculty of Social Work, National Service Scheme, Faculty of Law & Faculty of Journalism and Communication on 28th June 2021. The programme was commenced by address of Prof. Haribhai Kataria, Dean Faculty of Science followed by opening remarks by Prof. Sunita Nambiyar, NSS. She introduced the theme for 2021 “Share Facts on drugs, Save Lives” and gave insights to recent statistics about the drug abuse. She highlighted “Peer Pressure” to be a major cause amongst youth suffering from drug abuse. She also pointed out the importance of “Red Flags” –sudden behavioural changes which promptly need to identified and followed by counselling. Shri Shailendra Kumar Mishra, Zonal Director, Ahmedabad, NCB, the first keynote speaker gave a stimulating speech to the participants elaborating about the types of drugs and pathways of illicit trafficking going across globe. He shed light on the fact that drug usage was not wrong but the overuse or abuse of the drugs trapped individuals to develop psychotropic symptoms and eventually lifelong dependency on drugs. He also highlighted that the age group 17-35 years was the most commonly targeted group in this area and youth is lured into drug abuse and later into illicit trafficking. He urged the students and community to play a very important role in preventing drug abuse. Dr Kavita Goel, Assistant Professor, Faculty of Law detailed on the legal perspectives of the drug abuse and illicit trafficking prevalent in our country. She elaborated the laws related to drug abuse mentioned in the 7th Schedule, Article 47 of Constitution of India. She also talked about the initiatives by the government such as Electronic border surveillance, ISRO satellites to capture illegal trafficking and partnership with civil societies and NGOs for motivating youth to not to consume drugs or to trade in drugs. The webinar ended with concluding remarks “Say no to drugs and say yes to life!” Youth is the backbone of every country and is required to achieve the development goals and hence needs to prevent itself from indulging in such activities. It’s a vital role of community to not let youth fall into such traps. The webinar ended with a vote of thanks to all the dignitaries, speakers and participants.

The objective to organize public lecture on Naari Shashaktikaran is to make the students aware regarding the concept of women empowerment in the ancient Indian context. To give a fair opportunity to all students to learn and encourage women around them to go out of the box and promote equity. To provide them with guidance from the speakers as to how to imbibe the qualities of the aforementioned women in their own lives and know about the negatives and positives so as to be rational. With the warm blessings and support of Honourable Chancellor Rajmata Shubhanginiraje Gaekwad and Honourable Vice Chancellor Prof. Parimal Vyas of The Maharaja Sayajirao University of Baroda and Patron of the University Union the event initiated with the University Song. The eminent speakers from diverse regions of India joined the seven days webinar series to deliver their knowledge on the various forms of Adi-Shakti. And highlighting the Indian culture, Shakti is the master of creation. Various forms of Shakti are situated all over the world and out of those forms Adi-Shakti manifests directly to us in the form of Sad-form, Knowledge-form and Ananda-form. The collective forms of this are felt directly in different parts of our life. In the practical world, the same power is a symbol of creative power, skilled in weaponry, power in the field of spirituality, energy of bravery, custodian of culture and in the field of modern knowledge and science this power in various forms has visions. Since time immemorial, the forms of this power have been read in various forms in Indian Vangmay. For example, Gargi, Maitreyi, Lopamudra, Ghosha, Apala etc. have contributed immensely in the field of religion, education, philosophy, philosophy and Vedic science in the Vedic period. 'Navratri' dedicated to the worship of nine forms of Shakti is a suitable symbol of women empowerment. There is a need to understand women from a new perspective in Indian civilisation and culture. Lastly, we had some cultural performances by the students of Faculty of Performing Arts wherein they sung the traditional folk Garba.

The event was organised by The Team Buland of the Maharaja Sayajirao University Union in association with the Faculty of Law and the Institute of Leadership and Governance. The objective of organising this event was to give the students of Maharaja Sayajirao University a chance to debate different bills of the central government and keep their points of view and ideas regarding the same. The focus was mainly on giving students an environment and feel of the Parliamentary system. As they are the future of India, a small platform like this can inspire them to be great leaders and get into politics. The format of the event was based on the Parliament session following the Lok Sabha proceedings. The event mainly had 3 rounds, namely, the opening remarks session, a zero-hour session, and a question-and-answer session. Students from different faculties participated in the event and presented their extraordinary performances. And in all the three rounds, the conference hall felt as if it had magically transformed into the parliament setting. The questions and concepts and theories discussed and debated stunned all the students, teachers, and jury members there. Furthermore, Dr. Jigar Inamdar arrived as a special guest for the prize distribution ceremony, and he was overjoyed and overwhelmed by the occasion. He also shared his parliamentary knowledge and applauded the vibrant aura created by the event. The jury members also gave their valuable advice and motivated the participants regarding public speaking. Winners were also awarded and appreciated by one and all. And with all this collected in a memory case by all the spectators of the day, the event officially ended with the auspicious sound of the national anthem.
